Crisis Intervention Contemporary Issues For On Site Interveners:

Crisis Intervention James Earnest Hendricks, Jerome B. McKean, Cindy Gillespie Hendricks, 2010 Criminal justice professionals are confronted with crisis situations on a daily basis in an era when crime ranks in the forefront of domestic social issues and the administration of criminal justice is a major concern of public officials and the public This expanded new edition delves into the historical perspective of crisis intervention and examines the advancements that have been made in order to reflect the latest developments in the field It is intended for pre service and in service criminal justice and social service crisis interveners who come into contact with victims of domestic spouse abuse child abuse and neglect rape and sexual assault loss of a loved one or any other type of crisis This book deals extensively with the special considerations involved in intervening in nonsecure field settings and provides an updated strategy for teaching crisis intervention in the criminal justice curriculum Step by step procedures and numerous examples and role plays teach readers how to intervene in crises The intervener is also provided information on self assessment in a field setting and coping with the stresses of frontline work A statement of objectives a summary and learning activities are included in each chapter The appendices include useful World Wide Web sites guidelines and scenarios for role plays and course outlines for instructors This unique book is designed for firefighters police officers community service officers correctional workers emergency medical workers ministers probation and parole officers protective service workers social workers and victim assistance workers

Crisis Intervention James Earnest Hendricks, 1985 This manual instructs preservice and inservice criminal justice personnel in how to intervene in crises involving domestic violence child abuse and neglect elder abuse and suicide Following an introduction to the rudiments of crisis intervention the author discusses methods for crisis assessment and conflict management in both general and criminal justice settings Procedures for successful intervention are detailed and subsequently applied to particular types of crises An overview of domestic violence considers the ineffectiveness of the criminal justice system in dealing with it its nature and extent contributing factors participant profiles and the cycle of violence After detailing crisis intervention steps for domestic violence diagrams role plays and situational information are provided to help upgrade the reader's intervention skills The overview of child abuse and neglect analyzes it as a social process with legal issues impacting to define the nature and extent of the crisis Intervention strategies are proposed The chapter on elder abuse synthesizes elder abuse theories to present a societal problem expected to grow in the future Effective strategic procedures for individual interveners and policymakers are presented A subsequent chapter on suicide intervention presents information on the theory and processes of suicide prevention and intervention the incidence of suicide and causal factors Assessment and intervention approaches are described Chapters on how to reduce stress and avoid professional burn out and on techniques for teaching crisis intervention conclude the book

CRISIS INTERVENTION IN CRIMINAL JUSTICE/SOCIAL SERVICE James E. Hendricks, Cindy S. Hendricks, 2014-04-01 This expanded new edition

continues to demonstrate and provide theoretical analytical and practical knowledge for first responders Face to face interaction with the client victim is part of the comprehensive approach advocated by the book which requires interveners to assess the nature of a crisis and the condition of the victim in order to determine the appropriate course of action The comprehensive balance of theory and practice presented in this book should enable the intervener in coupling his her general knowledge of human psychology and emotional crisis with the specific and novel characteristics of various crisis situations The text represents the work of national scholars who have expertise in criminal justice and social service issues Their chapters focus on a Historical and Theoretical Overview Ethics in Crisis Intervention Practice Intimate Partner Violence Police Response to Domestic Violence Children in Crisis Elder Mistreatment Suicide Crisis of Rape and Survivor Intervention Death Notification and the Theory and Practice of Delivering Bad News Terrorism and Crisis Intervention and Mass Casualty Crisis Response and Communication Helpful appendices in each chapter provide additional internet resources as well as a complete Model Law Enforcement Code of Ethics and Social Work Code of Ethics This new edition retains important information while providing current case studies such as the Miracle on the Hudson River crash the mass shootings at Virginia Tech the Boston Marathon bombing and the Yarnell Hill fire in Arizona This exceptional book is designed for firefighters police officers community service officers correctional workers emergency medical workers probation parole officers protective service workers psychological counselors social workers and victim assistance workers among others

Crisis Intervention in Criminal Justice/social Service James Earnest Hendricks, Bryan Byers, 2002 This collection of works is intended for pre service and in service criminal justice and social service crisis interveners this book provides theoretical analytical and practical knowledge for those who first respond to crisis in a professional capacity Face to face interaction with the client victim is part of the comprehensive approach advocated by this book which requires interveners to assess the nature of a crisis and the condition of the victim in order to determine the appropriate course of action Each chapter offers a theoretical overview of a particular facet of intervention as well as models and methods for applying crisis theory to crisis situations faced by interveners Although crisis situations are composed of similar elements each crisis is unique within the personal domain due to individual diversity Chapters are devoted to crisis intervention for each of the following crises domestic violence spouse abuse child abuse and neglect elder abuse and neglect rape and sexual assault the death of a loved one and suicide *Handbook of Community Psychiatry* Hunter L. McQuiston, Wesley E. Sowers, Jules M. Ranz, Jacqueline Maus Feldman, 2012-06-05 During the past decade or more there has been a rapid evolution of mental health services and treatment technologies shifting psychiatric epidemiology changes in public behavioral health policy and increased understanding in medicine regarding approaches to clinical work that focus on patient centeredness These contemporary issues need to be articulated in a comprehensive format The American Association of Community Psychiatrists AACP a professional organization internationally recognized as holding the greatest concentration of expertise in the field

has launched a methodical process to create a competency certification in community psychiatry As a reference for a certification examination that effort will benefit enormously from a comprehensive handbook on the subject **Crisis Intervention** James Earnest Hendricks, Jerome B. McKean, 1995 *The Elements of Disaster Psychology* James L. Greenstone, 2008 The book can be most appropriately used as a supplemental text in related emergency management crisis intervention and disaster psychology classes and it will also be appropriate for first and second responder training The experienced disaster intervener can use this book independently in the field in training and in the office BOOK JACKET

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1988 *Profiling and Criminal Justice in America* Jeff Bumgarner, 2014-12-16 An unbiased examination of profiling in the criminal justice system one of the most hotly contested public policy issues on the streets in the courts and in the jails and prisons of America In the post 9 11 world profiling by law enforcement has become standard operating procedure Profiling by prosecutors judges and corrections officers is pervasive in other criminal justice contexts as well Is profiling actually effective in preventing crime or identifying likely offenders and therefore justifiable This accessible single volume reference book examines profiling as it pertains to the criminal justice system in the United States providing non partisan information that illuminates the full scope of the profiling issue and discusses the possible impact of profiling on all American citizens Addressing this highly controversial topic holistically the book considers questions such as whether the criminal justice system in the United States unfairly targets minorities how the rights of minorities can be protected while enabling law enforcement to use every resource available and whether justification for profiling techniques exists This work will serve students at the high school and college level as well as general readers who are interested in criminal justice issues and issues relating to equality and fairness before the bar of justice **Assessment for Crisis Intervention** Rick Myer, 2001 Handling crisis situations is a scary and often intimidating task for many beginning and even seasoned counselors social workers human service workers psychologists nurses police officers and other professionals Assessment is the foundation and most critical process in crisis intervention since it helps provide the practitioner with essential information reducing the trial and error method that many practitioners find themselves using Myer discusses a three dimensional model for understanding the assessment process using affect cognition and behavior reactions as the three core components of the assessment process Unique in its focus on assessment in crisis intervention this text provides a needed element that is often left out or treated superficially in other crisis intervention texts **Crisis Intervention** Lennis G. Echterling, Jack H. Presbury, J. Edson McKee, 2005 Core text for crisis intervention courses in Counseling Social Work and Clinical Psychology Here is how some reviewers have described the text This text presents a compelling argument that victims of crisis and trauma can recover and grow into strong and healthy survivors The text s emphasis on resilience is an important next step in the evolution of this helping technique Its detailed explanation of the techniques that utilize the strength of survivors is valuable for neophytes and experienced helpers

alike The exercises and discussion questions presented move it from a theory based text into a valuable tool for skill development This text is a very valuable addition to the literature on crisis intervention Thomas W Rueth University of Dayton The writing is excellent and well thought out The ideas are presented clearly the stories used in each chapter are excellent and the authors do an excellent job integrating their stories with the content of each chapter Chris McCarthy University of Texas at Austin Crisis Intervention stands out as a cutting edge text among books on crisis intervention and current Clearly the art and science of crisis intervention is conveyed through the use of research story literature exemplars activities and practical approaches Nicholas Mazza Florida State University
