Crisis And Reform Current Issues In American Punishment:

Crisis and Reform Alexis M. Durham, 1994 After 300 years of the American struggle with crime and punishment related issues the nation seems less able to deal with them now than at any other time in history Why have we failed Is the worst yet to come In *Crisis and Reform* criminology expert Alexis M Durham III explores the most serious problems currently plaguing America s correctional system their historical background and possible solutions Topics covered include Prison Crowding AIDS in Prison Difficulties Associated with Older Inmates Women in Prison Changing the Offender Alternatives to Incarceration including Electronic Monitoring Intensive Supervision House Arrest Community Services and Day Reporting Centers Boot Camps Prison Privatization The Death Penalty **Criminology** Gregg Barak, 2009-09-16 *Criminology* An Integrated Approach is the first criminology textbook to provide an integrated perspective on the developing global and historical relations that unite the studies of criminology criminologists criminal justice justicians and crime crime control in the 21st century In order to achieve this integration the book is divided into three parts Part I a unifying analysis of crime and crime control does three things First the studies of criminology and criminal justice are reunited in the context of globalization Second the official and unofficial forms of crime and criminal behavior are examined domestically and globally Third unlike most criminology texts theories are also used to explain the administration of criminal justice the behavior of law enforcement and crime control as well as the policies of sentencing and punishment Part II explaining criminal behavior and crime outlines the changing historical conditions of criminological inquiry and provides detailed overviews of the various contributions made from economics and law biology psychology and sociology These criminological theories are also subject to a critique based on the partialities of most of these explanations and on the need for developing integrated explanations Part III integrating criminological strands is divided between presenting elaborations of contemporary criminological integrations that transcend disciplinary boundaries and elaborating on both domestic and international policies of crime reduction and justice enhancement in an age of globalization **Exploring Corrections in America** John T. Whitehead, Mark Jones, Michael C. Braswell, 2010-04-07 *Exploring Corrections in America* provides a thorough introduction to the topic of corrections in America In addition to providing complete coverage of the history and structure of corrections it offers a balanced account of the issues facing the field so that readers can arrive at informed opinions regarding the process of corrections in America Each chapter is enhanced by an outline what you need to know internet links photos boxes ethics focus discussion questions and further readings **The Rush for Black Diamonds, Volume Two** George Walters-Sleyon, 2025-11-18 *The Rush for Black Diamonds Volume Two* demonstrates the need for a Reform Prison Theology and a Holistic Penal Ethics in the United States and the United Kingdom England and Wales and Scotland As a descriptive analytic and prescriptive engagement it contends that colonialism and penal slavery are the modern vestiges of the transatlantic slave trade and the institution of chattel slavery also made possible by the Thirteenth Amendment of the US

Constitution This book explores the transition from the institution of chattel slavery to colonialism and penal slavery prior to and after 1970 by the superpowers of the transatlantic slave trade including the US France and the UK It shows the intersections of the economic and racial influences of chattel slavery the Black Codes the preservation of the cult of White supremacy on the development of the post 1970 penal industries and their collateral effects of the high rates of prisoner deaths in the US and the UK Like John Locke and Thomas Jefferson Volume Two argues that Immanuel Kant provided the most concise philosophical claims for the emergence of the cult of White supremacy and its militant preservation through the Invisible Empire of the Ku Klux Klan against Black humanity American Prisons and Jails Vidisha Barua Worley,Robert M. Worley,2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections **Punishment in America** Michael Welch,1999-08-18 Michael Welch s book is an invitation to think It is an invitation to grow intellectually and critically as a consumer of crime policy and an observer of the American scene Written by a scholar who has dedicated his work to uncovering the hidden ironies of formal crime policy this is a collection of essays of depth and significance Those who read it will be challenged and those who engage with the challenges contained within these pages will have their views of the realities of penal policy changed deepened and made more honest more complete More true from the Foreword by Todd R Clear Florida State University Punishment in America offers readers a critical examination of the so called back end of the criminal justice system namely incarceration The book integrates various levels of analysis ranging from the macrosociological aspects of punishment to the meso organizational and micro individual dimensions of imprisonment The overarching themes of Punishment in America are social control and the ironic effects of incarceration In an effort to reduce crime the criminal justice system ironically produces various self defeating measures Moreover these pitfalls in current correctional policy and practice which neglect fundamental social inequality merely compound the problem of crime Prison Ministry Dennis W. Pierce,2014-01-02 Show the incarcerated how to find forgiveness in unforgiving surroundings As the prison population in the United States increases

by more than 1 000 inmates each week prison ministry programs must have a working blueprint for dealing with the shame humiliation hate and loneliness of incarceration at both the adult correctional and juvenile detention probation levels Prison Ministry Hope Behind the Wall demonstrates how a ministry can adapt Latin American Liberation theology to address oppression and bring prisoners into the community of Christ Author Dennis Pierce former chaplain at the Joliet Correctional Center in Illinois where the Fox Network s 2005 Prison Break series is filmed presents a functioning approach to forgiveness and reconciliation combining pastoral counseling Christian education Bible studies and worship to help inmates develop self esteem and an overall feeling of self worth through compassion and empathy Prison Ministry Hope Behind the Wall provides an alternative resource on our prison system for chaplains pastors priests and students working in theology ethics or counseling Instead of the usual descriptive narratives of inmates lives or discussions of statistical approaches this unique book combines a theological model with a viable programmatic approach to confront the oppression of incarceration and reverse its effects The book looks at the vital issues facing juveniles in the criminal justice system the transition from county jail to a correctional facility victimization rejection under stimulation homosexual rape and examines the creation of non threatening niches to address coping structures needed to move toward forgiveness and reconciliation Prison Ministry Hope Behind the Wall examines meeting the incarcerated defining prison s emotional ethos dealing with human breakdowns oppression in maximum security prison components of empowerment needed for prison ministry Prison Ministry Hope Behind the Wall also includes case studies of four inmates an extensive bibliography a glossary of prison terms sample Bible studies and sermon topics The book is invaluable for anyone dealing with incarcerated youth and young adults in civilian or military correctional or juvenile detention facilities Crime, Policy, and Criminal Behavior in America James Houston,2001 This is a study of crime in America It looks at crime in terms of numbers and rates and attempts to prove that the American public has been misled by the politician and the media into believing there is a crime wave The book gives an overview of crime the criminal justice system There is a discussion of economic considerations how to approach crime policy rationally and how to work with elected officials and assist in the initiation of effective crime policy **Focus on Law Studies** ,1993

Delinquency and Justice Mary S. Jackson,Paul Knepper,2003 Delinquency and Justice A Cultural Perspective takes a humanistic perspective and offers insights about the cultures at work within the juvenile justice system This book provides knowledge of issues policies and rationales of the juvenile court essential for anyone working in the criminal justice field Entire chapters are devoted to gender and ethnicity other chapters include coverage of religion policy and international juvenile justice For anyone interested criminal justice social workers lawyers sociologists Crime and Criminology Sue Titus Reid,1997 Now in its ninth edition this time tested text continues to gives students a broad context in which to study the history theories and responses to crime and criminology using a unique blend of both social science and legal research The only criminology text to include legal case excerpts to demonstrate the role of the courts in the reformation of the

criminal justice system this book gives readers a solid understanding of the integral relationship between the law and theories of criminal behavior Current topics such as hate crimes three strikes sentencing changes in Megan's Law and the law and the Internet are explored beyond the headlines examining the implications of our governing theories and policies

Washington University Journal of Law and Policy, 2006 *Crime and Delinquency*, 1997 The University of the District of Columbia Law Review, 1999 **Journal of Contemporary Criminal Justice**, 2001 Policy Studies Journal, 1972 What's Wrong with the Criminal Justice System Alida V. Merlo, Peter J. Benekos, 2000 Reviews concepts information and points of view that help to explain the context and constraints of the criminal justice system Engages the reader in a critique of criminal justice as a means of moving the discussion to a more informed and insightful level and creates understanding about what can be done by the criminal justice system Contains chapters on dynamics of criminal justice police consequences of court policy correctional policy in crisis deconstructing adolescence and dismantling the juvenile court and changing course American Criminal Justice Clemens Bartollas, 1997 American Criminal Courts Second Edition is unique among texts for introductory courts courses in its providing a framework for students and instructors to understand courts The author presents three central themes in the first chapter which are then built upon and connected in each succeeding chapters Students do not just learn from this book by reading A unique collection of original web based cases free to instructors and their students given students an opportunity to participate as courtroom actors and to engage in court processes and procedures Students learn both by reading and doing from the unique print digital package of materials Students can complete exercises and send them digitally to their instructors to demonstrate their mastery of criminal court processes and principles *The Law & Order Presidency* Willard M. Oliver, 2003 Documenting the nationalization and federalization of crime over the last half of the twentieth century this book demonstrates the role the American President has played in shaping public opinion and policy of crime at the federal level The author uses case studies to test hypotheses and illustrate assumptions discusses the implications and demonstrates the new law and order role for the President of the United States The volume addresses the history of Presidents and crime policy how Presidents promote crime policy and the President's influence on public opinion regarding crime For those interested in Presidential influence over public opinion and policy Integrating Criminologies Gregg Barak, 1998 Integrating Criminologies is both a critique of disciplinary criminology and a synthesis of the emerging paradigm of interdisciplinary criminology The author attempts to bring biology psychology sociology law economics feminist studies media studies and ethnic studies into an integrated criminological whole This book presents an integrative interdisciplinary approach to understanding crime and social control It integrates modernist and postmodernist sensibilities about crime and justice and then offers its own framework for conceptualizing the integration of crime and crime control
