Crisis Intervention In Social Services Basw Practical Social Work Series:

Crisis Intervention in Social Services Kieran O'Hagan,1986-06-06 This book could only have been written by a social worker It is full of energy laced with pathos and humour and the warts are not only visible but highlighted It offers a thoughtful down to earth view of crisis work in one social services team Paul Reading Oxford MIND [Social Work Practice](#) Jonathan Parker,2017-04-29 This bestselling book will take you step by step through the four main aspects of social work practice Assessment Planning Intervention and Review giving you a complete foundation in each It will introduce you to each process in a clear and accessible way supporting you to both reflect on and apply what you have learnt in practice across settings and service user groups The book will provide you with a theoretical foundation from which you can explore other aspects of social work New to the fifth edition an ethnographic approach to social work focus on relationship and resilience revised exploration of the political context of social work updated emphasis on social justice and human rights

Cognitive-behavioural Social Work in Practice Katy Cigno,Diana Bourn,2017-07-05 Cognitive Behavioural Social Work in Practice appears at an interesting time for social work and social services More than ever practitioners are required to provide evidence for the effectiveness of what they do while the rights of service users to ethically competent practice in which they are partners is high on the agenda Drawing on a wide area of research as well as the practice experience of its 18 contributors it covers a broad range of cognitive behavioural intervention with different client groups in a variety of settings including child care family work probation and offending behaviour mental health disability and issues concerning older people The first chapter sets out lucidly the theoretical and research basis for cognitive behavioural practice and is rich in case examples Each subsequent chapter adopts a case study approach to its subject either by providing a single case study or by the detailed exploration of an area of practice combined with case examples The volume is unique in not only bringing together practitioners and academics but in presenting the work of the academic reflective practitioner It is thus an accessible informative guide for professionals students and educators who with all their working pressures and constraints strive to provide help based on best evidence *Social Work Today*,1986 **Social Workers at Risk** Robert Brown,Stanley Bute,Peter Ford,1986 *The Routledge International Handbook of Social Work and Disaster Practice* Carole Adamson,Margaret Alston,Bindi Bennett,Jennifer Boddy,Heather Boetto,Louise Harms,Raewyn Tudor,2024-12-24 This handbook addresses the diversity and complexity of social work practice in the context of disasters Drawing on international perspectives with the inclusion of case studies this handbook provides a resource for students practitioners educators and researchers seeking to prepare the social work profession for contemporary challenges associated with disasters Divided into five parts it explores the following subject areas 1 Conceptual aspects concerning social work s relationship with disasters 2 Social work s role in preventing and preparing for disasters and response and recovery 3 Social work practice with specific populations 4 Social work education and training in disasters 5 Implications for social work organisations and policy Leading

ideas debates and approaches from international authors will provide Global North and South perspectives A critical examination of research and theories for practice including concepts of human vulnerability and community resilience will provide the foundation for detailing the practical contributions that social workers can make at the micro meso and macro levels of practice Social work s underpinning value base of social justice and human rights will also be explored in the context of the complex and dynamic nature of socio cultural political and economic dimensions pertaining to disasters It will therefore be of interest to all social work students academics and professionals as well as those working in allied disciplines policy and emergency management roles

Social Work with Old People Mary Marshall,1990 **Developing Knowledge and Skills for Child and Family Social Work** Barry Fearnley,2022-03-01 This book will provide you with the initial developing knowledge and skills needed to practice ethically and effectively with children and families It will take you on a journey introducing you to all the relevant theory legislation and skills for practice using case studies activities and research summaries to help you navigate the complexities and challenges along the way Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning This best selling student series is Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice **Monographic Series** Library of Congress,1980

SWT, Social Work Today ,1977 *Sociology in Social Work Practice* Peter Russell Day,1987 Social work activity is influenced by the society in which it takes place It is therefore inescapable that understanding sociology should help social workers to make a contribution to people s welfare The perspectives which constitute sociology are examined and the book analyses the ways peoples lives are influenced by social forces **Family Work with Elderly People** Alison Froggatt,1990

Adoption and Fostering Carole R. Smith,1984 **Social Service Abstracts** ,1992 *Self-Help, Social Work and Empowerment* Robert Adams,1990-04-20 A study on self help and how social workers relate to it and how they may develop integral self help It looks at how to facilitate self help and how to appraise self help **Library of Congress Catalogs** Library of Congress,1981 *Working with Young Offenders* John Pitts,1990 **Crisis Intervention in Practice** Richard Mitchell,1993 Crisis intervention is an essential ingredient in any truly comprehensive community mental health service This book is a study of the development and operation of a long established multidisciplinary crisis intervention and community mental health service viewed through the eyes of its users and team members *Social Work: Themes, Issues and Critical Debates* Robert Adams,Lena Dominelli,Malcolm Payne,2009-04-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear

insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are *Critical Practice in Social Work* second edition and *Practising Social Work in a Complex World* Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study

Social Services Mike Fisher, Susan Balloch, John McLean, 1999

Major changes have been taking place in social care throughout the UK resulting in new and complex responsibilities being given to an estimated third of a million of social services staff Drawing on extensive survey material this book explores the work histories of social services staff describes their current jobs and examines their work experiences It provides detailed evidence of abuse and violence at work satisfaction and stress in the workplace and staff s experience of racism and discrimination gender issues and education and training This ground breaking book provides comprehensive information on a workforce about which very little has been known to date It uniquely draws on comparisons between England Scotland and Northern Ireland looking at managers social work staff home care workers and residential workers Social services working under pressure is essential reading for academics and students in social work and social policy employers staff themselves social services users and the wider audience concerned about welfare and social policy
