Buy It Now Michele White, 2012-07-10 Explores the communities and social norms on eBay discussing gender race and sexuality and how stereotypes about them are reinforced by the online auction site

Electronic Complaints Marja E. Meinel, 2013-12-19 The interest in computer mediated communication CMC has vastly risen over the recent years Nevertheless crosscultural differences in CMC have received little attention so far especially with regard to complaining behaviour This book therefore contributes to this still unexplored research area by comparing British English and German complaints in CMC precisely on eBay The empirical study statistically analyses online complaints taken from the feedback forum of this online auction house and shows both similarities and differences in the way speakers of the two cultures formulate their online complaints Additionally the impact the specific online context may have on users speech act performance is reviewed Given that cultural differences may lead to misunderstandings in cross cultural electronic communicative situations this book is not only of interest to different fields of pragmatics but also to e commerce and is hence of economic interest

Multimodality and Social Interaction in Online and Offline Shopping Gitte Rasmussen, Theo van Leeuwen, 2023-09-29 This collection brings together social semiotic ethnographic and conversation analytic approaches to multimodality in global studies of shopping drawing on the rich diversity of the latest multimodal

methods to critically reflect on shopping as a cornerstone of contemporary social life The volume explores shopping as an area of study in its own right with the buying and selling of goods and services a fundamental part of the social and cultural life of human communities for centuries The book looks at both online and offline shopping examining it as both everyday multi sensorial practice and its translation into the interactive text and imagery that comprise the online shopping experience from London street markets to Japanese grocery shops to Danish supermarkets to worldwide online shopping sites Highlighting the diversity of modern multimodal approaches through contributions from established scholars the book critically surveys both the challenges and opportunities in the embodied interactions between buyers and sellers and how these points of connection have been translated and will continue to transform in the age of algorithms and emergent technologies This book will appeal to students and scholars interested in multimodality multimodal conversation analysis social semiotics social interaction and retail studies
