Critical Perspectives On Aging:

Critical Perspectives on Aging Meredith Minkler, Carroll Estes, 2020-11-25 This unique volume brings together 20 critical essays on aging within the context of the broad social political and economic factors that help shape and determine the realities of growing old Rather than viewing aging in isolation it explores the social creation of old age dependency and the profound influence of race gender and social class on what it means to grow old It looks too at such topics as the biomedicalization of aging the role of business and the media in changing societal images of the old the fact and fiction behind senior power the multibillion dollar nursing home industry and the role of advanced capitalist nations in creating economic dependency among elders in the Third World

Social Policy and Aging Carroll L. Estes, 2001-03-30 This groundbreaking book provides a comprehensive treatment of the political economy of aging From the founder and key thinker in the field comes a work that aims to contribute to the understanding of old age and aging in the context of problems and issues of the larger social order in America Since Carroll Estes first writing on the political economy of aging in 1979 there has been growing recognition and incorporation of her critical perspective as one of the major paradigms in the field of aging The only comprehensive book length treatment of the subject *Social Policy and Aging* addresses the globalization of capital and developments in health care restructuring Combining social gerontological theory and major theoretical advances in work on the welfare state this text keeps readers abreast of the new development within the discipline Students and researchers alike will appreciate this critical perspective widely acknowledged as one of the major paradigms in the field of aging Ed

Social Theory, Social Policy And Ageing: A Critical Introduction Biggs, Simon, Estes, Carroll, Phillipson, Chris, 2003-11-01 This work covers theoretical developments and issues influencing the study of adult ageing It explores contemporary trends in social policy drawing on the experience of ageing in the USA Europe and an increasingly global environment Feminist perspectives on ageing are also covered

Critical Perspectives on Ageing Societies Miriam Bernard, Thomas Scharf, 2007 Bringing together leading proponents of the critical gerontology perspective from Britain and North America this book reviews and updates our understanding of how the field has developed over the last 25 years and explores current and future concerns surrounding population ageing in the 21st century

Rural Gerontology Mark Skinner, Rachel Winterton, Kieran Walsh, 2020-12-29 This book provides the first foundation of knowledge about the intellectual traditions contemporary scope and future prospects for the interdisciplinary field of rural gerontology With a focus on rural regions small towns and villages which have the highest rates of population ageing worldwide *Rural Gerontology* is aimed at understanding what it means for rural people communities and institutions to be at the forefront of twenty first century demographic change The book offers important insights from rural ageing studies into today s most pressing gerontological problems With chapters from more than 65 established and emerging rural ageing researchers it is the first synthesis of knowledge about rural gerontology harnessing a burgeoning interdisciplinary scholarship on the rural

dimensions of ageing old age and older populations With a view to advancing a critical understanding of rural ageing populations this book will have an overreaching impact across the social sciences by drawing on advancements in understandings of rural ageing from social environmental geographical and critical gerontology to facilitate a comprehensive exploration of the diversity complexity and implications of the ageing process in rural settings Bringing together valuable international perspectives this book makes a timely contribution to gerontology rural studies and the social sciences and will appeal to scholars and researchers across USA and Canada UK and Ireland Australia and New Zealand Europe China and countries in Africa South America and South East Asia Critical Gerontology Meredith Minkler,Carroll L. Estes,1999 These 20 contributions to a critical gerontology are placed in the framework of a broad political economy that sees the problem of aging in structural rather than individual terms The authors examine the social creation of the dependent status of the elderly the management of that dependency through public policies and health and social services and the intersections between race class gender and aging The work is designed to complement and update *Critical Perspectives on Aging* by the same editors Annotation copyrighted by Book News Inc Portland OR

Women in Late Life Martha Holstein,2015-03-19 Contemporary old age is fraught with contradiction and complexity women portrayed either as incompetent and cuddly grandmothers or as young women trapped in old bodies images that rarely reflect how women actually see themselves *Women in Late Life* explores the thorny issues related to gender and aging including prevailing but problematic cultural expectations body image ageism the experience of chronic illness threats to Social Security and the very possibility of a secure retirement while challenging a long term care system that disadvantages women Author Martha Holstein writes from a critical feminist perspective drawing on her many years of experience in gerontology as well as interviews and personal experience as a woman now in her seventies The book highlights how women s experience of late life is shaped by the effects of lifelong gender norms by contemporary culture from gender stereotypes to ageism and by the political context The book blends critique with proposals aimed at resisting damaging inequities resulting from being simultaneously old and a woman She focuses on changes needed on multiple levels societal cultural political and individual This interdisciplinary look at key questions around gender and aging is nuanced and beautifully written

contributors to theoretical advances in the field This volume incorporates state of the art theorizing with a focus on selected topical areas facing gerontologists around the world Using their keen insights into substantive issues the contributors examine personal and structural changes affecting individuals over the life course Extolling the need for theory is not enough the contributors focus their insights on a panoply of substantive issues linking the personal with the political and with the structural parameters that shape the process of aging no matter where it occurs

Critical Humanities and Ageing

Marlene Goldman, Kate de Medeiros, Thomas Cole, 2022-11-01 Providing a critical humanities approach to ageing this book addresses new directions in age studies the meaning and workings of ageism in the twenty first century the vexed relationship between age and disability studies the meanings and experiences of queer aging the fascinating yet often elided work of age activists and finally the challenges posed by AI and more generally transhumanism in the context of caring for an ageing population Divided into four parts Part I What Does It Mean to Grow Old Part II Aging Old Age and Disability Part III Aging Old Age and Activism Part IV Old Age and Humanistic Approaches to Care the volume provides an innovative two part structure that facilitates rather than merely encourages interdisciplinary collaboration across the humanities and social sciences Each essay is thus followed by two short critical responses from disciplinary viewpoints that diverge from that of the essay's author Drawing on work from across the humanities philosophy fine arts religion and literature this book will be a useful supplemental text for courses on age studies sociology and gerontology at both undergraduate and graduate levels

Voices and Visions of Aging Robert Kastenbaum, PhD, Thomas R. Cole, PhD, W. Andrew Achenbaum, PhD, Patricia L. Jakobi, PhD, 1992-11-15 A critical gerontology requires more than a simple elaboration of existing humanistic scholarship on aging This exceptional new work introduces a basis for genuine dialogue across humanistic scientific and professional disciplines Among the topics addressed are industrial employment retirement life styles of older women and biological research From philosophical reflections on the third age to critical perspectives on institutional adaptations to an aging society this book presents a wide range of provocative thought

Understanding Aging and Diversity

Patricia Kolb, 2014-07-11 The demographic phenomena of increased life expectancy increasing global population of older adults and a larger number of older people as a proportion of the total population in nations throughout the world will affect our lives and the life of each person we know The changes will result in challenges and benefits for societies and people of all ages These events need to be understood explained and their consequences addressed sociological theories about aging are an essential part of this process In Understanding Aging and Diversity Theories and Concepts Patricia Kolb presents important sociological theories and concepts for understanding experiences of older people and their families in a rapidly changing world She explores concepts from phenomenology critical theory feminist theory life course theory and gerotranscendence theory to explain important issues in the lives of older people This book investigates similarities and differences in aging experiences focusing in particular on the effects of inequality Kolb examines the relationship of ethnicity race gender sexual

orientation and social class to international aging experiences This book explores the relationships between older people and social systems in different ways and informs thinking about policy development and other strategies for enhancing the wellbeing of older adults It will be useful for students and scholars of sociology gerontology social work anthropology economics demography and global studies

Dementia Studies Anthea Innes, 2009-03-05 What is dementia How should we organize dementia care This comprehensive book critically examines the main approaches to understanding dementia bio medical social psychological and socio gerontological and the main principles and ideologies of care The book provides clarity on the gap between the utopian aspirations of care and the reality of care opens up a series of questions about knowledge and treatment of dementia argues for a transition from positions that place emphasis upon the individual or particular care services to the social cultural and economic context Lively informative and challenging the book will be of interest to students of nursing sociology of health illness social work and social gerontology Anthea Innes teaches at the Dementia Services Development Centre University of Stirling

The Top Books of the Year Critical Perspectives On Aging The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Critical Perspectives On Aging : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
