A Companion to Narrative Theory James Phelan, Peter J. Rabinowitz, 2008-04-15 The 35 original essays in A Companion to Narrative Theory constitute the best available introduction to this vital and contested field of humanistic enquiry Comprises 35 original essays written by leading figures in the field Includes contributions from pioneers in the field such as Wayne C Booth Seymour Chatman J Hillis Miller and Gerald Prince Represents all the major critical approaches to narrative and investigates and debates the relations between them Considers narratives in different disciplines such as law and medicine Features analyses of a variety of media including film music and painting Designed to be of interest to specialists yet accessible to readers with little prior knowledge of the field

The Critical Response to Dashiell Hammett Christop Metress, 1994-12-30 As one of the most popular American writers of detective fiction Dashiell Hammett has drawn a diverse range of criticism The author of The Dain Curse The Maltese Falcon The Thin Man and other works Hammett is now receiving additional attention from scholars who seek to reassess his writing Spanning more than sixty years of critical response this volume includes reviews of

Hammett's novels from the 1920s and 1930s as well as recent scholarly essays G.K. Chesterton, London and Modernity Matthew Beaumont, Matthew Ingleby, 2013-12-05 G K Chesterton London and Modernity is the first book to explore the persistent theme of the city in Chesterton's writing. Situating him in relation to both Victorian and Modernist literary paradigms, the book explores a range of theoretical and methodological approaches to address the way his imaginative investments and political interventions conceive urban modernity and the central figure of London. While Chesterton's work has often been valued for its wit and whimsy, this book argues that he is also a distinctive urban commentator whose sophistication has been underappreciated in comparison to more canonical contemporaries. With chapters written by leading scholars in the field of 20th century literature, the book also provides fresh readings and suggests new contexts for central texts such as *The Man Who Was Thursday*, *The Napoleon of Notting Hill* and the Father Brown stories. It also discusses lesser known works such as *Manalive* and *The Club of Queer Trades*, drawing out their significance for scholars interested in urban representation and practice in the first three decades of the 20th century.

Criminal Femmes Fatales in American Hardboiled Crime Fiction Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction. Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny.

Twentieth Century Literary Criticism, Volume 179 Thomas J. Schoenberg, Lawrence J. Trudeau, 2006-09 Presents literary criticism on the works of twentieth century writers of all genres, nations and cultures. Critical essays are selected from leading sources including published journals, magazines, books, reviews, diaries, interviews, radio and television transcripts, pamphlets and scholarly papers.

A Reader's Guide to Raymond Chandler Toby Widdicombe, 2001 The author of such works as *The Big Sleep* 1939, *Farewell My Lovely* 1940, *The Lady in the Lake* 1943 and *The Long Goodbye* 1953, Raymond Chandler was one of the most popular mystery writers of his time. His works continue to be read today and have been adapted many times into films. Chandler's writings have also been receiving growing amounts of scholarly attention and while most of this attention has focused on his use of language, critics are now studying the fictitious world he created and the milieu in which he wrote. This reference is a detailed guide to his writings. A chronology and brief biography overview the chief events in his life and career, with the biography discussing thematic patterns in his life and writings. The major section of the book, *Chandler's World*, describes the characters and places in his 7 novels and 25 short stories. Alphabetically arranged entries also provide summaries of his works along with discussions of key topics. The entries are concise and informative and thus readily guide the reader through Chandler's complex universe. Appendices provide information about adaptations of his works along with extensive listings of primary and secondary sources for additional consultation.

The Street Was Mine

M. Abbott, 2002-12-19 This book considers a recurrent figure in American literature the solitary white man moving through urban space The descendent of Nineteenth century frontier and western heroes the figure re emerges in 1930 50s America as the tough guy The Street Was Mine looks to the tough guy in the works of hardboiled novelists Raymond Chandler The Big Sleep and James M Cain Double Indemnity and their popular film noir adaptations Focusing on the way he negotiates racial and gender otherness this study argues that the tough guy embodies the promise of an impervious white masculinity amidst the turmoil of the Depression through the beginnings of the Cold War closing with an analysis of Chester Himes whose Harlem crime novels For Love of Imabelle unleash a ferocious revisionary critique of the tough guy tradition

Before and

After Suzie Thomas Y. T. Luk, James P. Rice, 2002 **Raymond Chandler** Robert F. Moss, 2002 Chronicles the career of Raymond Chandler from an aspiring man of letters in London to a professional novelist and literary celebrity who achieved commercial success and established an enduring reputation as a great American novelist His novels are works of perceptive social realism that capture and interpret American life between 1939 and 1959 He wrote seven of the best novels in the American hard boiled tradition as well as lyrical and evocative prose

The Critical Response to Ishmael Reed Bruce Allen Dick, Pavel Zemliansky, 1999-02-28 Ishmael Reed has emerged as one of the most innovative and controversial novelists in contemporary African American literature By focusing on his nine published novels this volume charts the critical response to his works over time The book is organized by decade with each section containing book reviews and articles Beginning with material from the 1960s it explores Reed's concern with artistic freedom and examines the evolution of his Neo HooDoo aesthetic which combines satire and parody comedy and fantasy African and African American religion and myth history film and other forms of popular culture It celebrates and at times criticizes how Reed's fiction defies popular academic conceptions of what American writers particularly black American writers ought to be The book also includes a substantial introduction a transcript of a recent conversation in which Reed discusses his novels in progress and an extensive

bibliography Since the publication of his first novel *The Free Lance Pallbearers* in 1967 Ishmael Reed has emerged as one of the most innovative and controversial African American writers Despite his belief that he and other black male artists have been misrepresented and virtually ignored in the press he has received more critical attention than almost any other contemporary African American male author The majority of this criticism has studied Reed's literary innovations and what he once called his Neo HooDoo aesthetic which draws on satire and parody comedy and fantasy African and African American religion and myth history film and various other elements of popular culture Since the 1970s many articles and reviews have looked at his commitment to multiculturalism while others have examined his views on gender and how they help define his position in the literary world This volume chronicles the critical response to Reed's works Organized by decades the book centers primarily on Reed's nine published novels It contains book reviews and essays devoted to these novels as well as a recent interview in which Reed discusses his works in progress including *Making a Killing* a novel about the O J Simpson trial While Reed has attained success as a poet and social critic his novels continue to attract most of the attention These include a science fiction fantasy a western two mysteries a neo slave narrative two political parodies a trickster tale about contemporary race and gender issues and a satire on modern academia The reaction to his works varies from ridicule and condemnation to respect and high praise A substantial introduction overviews the response to his works and a chronology lists the major events in his life and career The volume concludes with extensive bibliographical information

The Critical Response to Truman Capote Joseph J. Waldmeir, John C. Waldmeir, 1999-02-28 Truman Capote was one of the most controversial authors of the 20th century Since his death in 1984 scholarly interest in his writings has grown considerably This book traces the critical reception of his works

Critical Survey of Short Fiction Charles Edward May, Frank Northen Magill, 2001 Profiles more than four hundred authors of short fiction from around the world presenting biographical and bibliographic information and summaries of major works Also includes a reference volume with a chronology a bibliography lists of major award winners twenty nine essays on short fiction history theory and world cultures and three indexes

Politics, Desire, and the Hollywood Novel Chip Rhodes, 2008-03-15 Nathanael West desire art and cynicism Budd Schulberg unionism and sadomasochism Raymond Chandler individualism and populism Joan Didion gender and Lacanian tragedy Bruce Wagner double consciousness and the death of desire Elmore Leonard realism after the end of ideology

The Critical Response to Chester Himes Charles L. P. Silet, 1999-10-30 The work of Chester Himes is now undergoing a critical and popular reevaluation as it gradually comes back into print after years of neglect His protest novels from the 1940s and early 1950s his Harlem Domestic crime books first published in France and later released in English in the United States and his remarkable two volume autobiography are now gaining a wider readership through their republication Nonetheless the critical writings on his work remain scattered and are often difficult to obtain This collection of reviews and essays from both

popular and academic sources traces the critical response to his work from 1946 to 1996 and thus sheds light on the critical reputation of one of the most distinguished but underrated African American authors Himes has a wide international reputation but this reference book focuses on those essays and reviews in the English language which provide a clearer assessment of his controversial literary standing in his native country where his reputation has been most under debate The book includes a balanced assessment of all his work along with an interview with Himes's brother that offers some corrective commentary on his autobiography The volume also provides a chronology a checklist of his writings and a bibliography
