Critical Essays On William Blake:

Critical Essays on William Blake Hazard Adams, 1991 N A **Blake** Northrop Frye, 1966 Representative collection of contemporary critical essays **William Blake** Algernon Charles Swinburne, 1925 *William Blake* David Punter, 1996-07-25 This New Casebook contains ten essays written about Blake's poetry since 1970 selected to show the diversity of Blake criticism during the last twenty years and the ways in which contemporary critical theories open up new readings of his work Essays representative of Marxist psychoanalytic deconstructionist feminist and new historicist criticism are included David Punter's Introduction places these in the context of recent developments in critical theory and shows how today's student can best engage with Blake's complex and rewarding work *William Blake: A Critical Essay* Algernon Charles Swinburne, 2020-09-28 In the year 1827 there died after a long dim life of labour a man as worthy of remark and regret as any then famous In his time he had little enough of recognition or regard from the world and now that here and there one man and another begin to observe that after all this one was perhaps better worth notice and honour than most the justice comes as usual somewhat late Between 1757 and 1827 the world one might have thought had time to grow aware whether or not a man were worth something For so long there lived and laboured in more ways than one the single Englishman of supreme and simple poetic genius born before the closing years of the eighteenth century the one man of that date fit on all accounts to rank with the old great names A man perfect in his way and beautifully unfit for walking in the way of any other man We have now the means of seeing what he was like as to face in the late years of his life for his biography has at the head of it a clearly faithful and valuable likeness The face is singular one that strikes at a first sight and grows upon the observer a brilliant eager old face keen and gentle with a preponderance of brow and head clear bird like eyes eloquent excitable mouth with a look of nervous and fluent power the whole lighted through as it were from behind with a strange and pure kind of smile touched too with something of an impatient prospective rapture The words clear and sweet seem the best made for it it has something of fire in its composition and something of music If there is a want of balance there is abundance of melody in the features melody rather than harmony for the mould of some is weaker and the look of them vaguer than that of others Thought and time have played with it and have nowhere pressed hard it has the old devotion and desire with which men set to their work at starting It is not the face of a man who could ever be cured of illusions here all the medicines of reason and experience must have been spent in pure waste We know also what sort of man he was at this time by the evidence of living friends No one artist or poet of whatever school who had any insight or any love of things noble and lovable ever passed by this man without taking away some pleasant and exalted memory of him Those with whom he had nothing in common but a clear kind nature and sense of what was sympathetic in men and acceptable in things those men whose work lay quite apart from his speak of him still with as ready affection and as full remembrance of his sweet or great qualities as those nearest and likeliest him There was a noble attraction in him which came home to all people with any fervour

or candour of nature in themselves One can see by the roughest draught or slightest glimpse of his face the look and manner it must have put on towards children He was about the hardest worker of his time must have done in his day some horseloads of work One might almost pity the poor age and the poor men he came among for having such a fiery energy cast unawares into the midst of their small customs and competitions Unluckily for them their new prophet had not one point they could lay hold of not one organ or channel of expression by which to make himself comprehensible to such as they were Shelley in his time gave enough of perplexity and offence but even he mysterious and rebellious as he seemed to most men was less made up of mist and fire than Blake William Blake: Songs of Innocence and Experience Margaret Bottrall,1986 *William*

Blake Harold Bloom,2008 William Blake is known as one of the 19th century s greatest poets and prophets of the imagination This new volume from the Bloom s Classic Critical Views series examines his poetry including Jerusalem Milton and The Four Zoas **William Blake A Critical Essay** Algernon Charles Swinburne,2023-11-10 William Blake A Critical Essay is indeed a work by Algernon Charles Swinburne a Victorian poet critic and playwright Algernon Charles Swinburne wrote this essay as an analysis and appreciation of the life and works of the English poet and artist William Blake Swinburne known for his own contributions to English literature was an advocate of the Romantic movement and he admired the visionary and mystical qualities in Blake s poetry and art William Blake A Critical Essay reflects Swinburne s perspective on Blake s significance in the literary and artistic landscape of his time The essay is considered a notable contribution to Blake scholarship and a testament to the enduring influence of William Blake on subsequent generations of writers and artists
