## **Critical Lives Mother Teresa:**

Mother Teresa Paul Williams, Paul L. Williams, 2002 Critical Lives Mother Teresa will cover worldly wealth the privileged childhood of Agnes Gonxha Bejaxhiu the influence of her father's mysterious death and the impact of her mother's guidance the vision her stay in the mountains of Darjeeling and her calling from God to serve the poorest of the poor Calcutta the formation of the Mission of Charity the Home for the Dying and her work with society's unwanted persecution attacks by Hindu priests and Marxist politicians fame Mother Teresa's work is the subject of a BBC documentary she becomes famous and wins the Nobel Peace Prize confrontation and criticism her fame results in ridicule from leftist factions in the Catholic church and from feminist groups and allegations of her unethical business practices surface and canonization her failing years beatific vision death and postmortem miracles *The Life and Work of Mother Teresa* Paul L. Williams, 2002

*Mother Teresa* Paul Williams, 2002 *Character* Deborah L. Rhode, 2019-08-02 Americans claim to care about character Over four fifths want it taught in public schools and 95 percent think that a president's character is important And historically philosophers educators politicians religious leaders judges and the general public have agreed that character should be valued and reinforced Yet in the United States the institutions charged with that mission have consistently fallen short Simply put too little effort has been made to understand the importance of character and the strategies that can best develop and support it After first exploring the history of the concept over time Deborah Rhode turns her focus to the institutions that have traditionally fostered good character families schools youth organizations civic groups and political organizations However as we have increasingly de-emphasized the subject a trend that is most evident in our politics our awareness of its shaping influence has waned Indeed we often focus on the wrong things when it comes to fostering good character For instance almost a third of the workforce is covered by licensing laws requiring good moral character even occupations where the need for screening is not self-evident florist fortune teller and frog farmers Character also plays a pivotal role in the criminal justice system in defining guilt punishment and eligibility for parole All too often these legal requirements are idiosyncratic inequitable and subject to race and class bias Millions of Americans who have convictions for minor offenses are excluded from a vast range of occupations and benefits without evidence that such exclusion serves the public interest We can do better she stresses and outlines a powerful program for reform Rhode punctuates the book through a series of portraits of exemplary individuals whose good character made them who they were Ida B Wells Jane Addams Martin Luther King Mother Teresa Nelson Mandela Albert Schweitzer and Thurgood Marshall All of these individuals had flaws but through their commitments to both social justice and helping the less fortunate they all demonstrate the power and importance of strong character **Ten Prayers That Changed the World** Jean-Pierre Isbouts, 2016-03-01 From time immemorial prayer has provided comfort in our darkest hours stirred us to action beyond what we thought possible and shown us the way through seemingly insurmountable challenges In this engaging tour of world history author and historian

Jean Pierre Isbouts takes us on an inspiring tour of ten prayers that played a pivotal role in world events from the divine inspiration of Joan of Arc to Martin Luther's powerful hymn A Mighty Fortress is our God from Abraham's poignant plea to save his son to George Washington's prayerful words to the newly formed American states from Constantine the Great's prayer before battle to Gandhi's deeply moving prayer of peace Ten Prayers That Changed the World delves into the moments in history where faith and prayer intersected with the course of mankind 2016 Best Book Award in Spirituality
