tower and steeple of the old humble enduring church continued long in sight for it was uplifted into the higher clearer air and was in itself substantial and massive **A Guide to the Best Historical Novels and Tales** Jonathan Nield,1929

Wolf Hall Hilary Mantel,2009-10-13 In the ruthless arena of King Henry VIII s court only one man dares to gamble his life to win the king s favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster If the king dies without a male heir the country could be destroyed by civil war Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn The pope and most of Europe opposes him The quest for the king s freedom destroys his adviser the brilliant Cardinal Wolsey and leaves a power vacuum Into this impasse steps Thomas Cromwell Cromwell is a wholly original man a charmer and a bully both idealist and opportunist astute in reading people and a demon of energy he is also a consummate politician hardened by his personal losses implacable in his ambition But Henry is volatile one day tender one day murderous Cromwell helps him break the opposition but what will be the price of his triumph In inimitable style Hilary Mantel presents a picture of a half made society on the cusp of change where individuals fight or embrace their fate with passion and courage With a vast array of characters overflowing with incident the novel re creates an era when the personal and political are separated by a hairbreadth where success brings unlimited power but a single failure means death
