## **Cross And Salvation The Doctrine Of Salvation:**

The Cross and Salvation (Hardcover) Bruce Demarest, 2006-08-01 With America's confidence in the Bible at an all time low and the strength of her spiritual convictions waning it is essential for Christians especially Christian leaders to be well grounded in biblical theology To have a clear and comprehensive understanding of the key doctrines of evangelicalism In response professor and award winning author Bruce Demarest has made plain God's glorious plan of salvation his provision for the human dilemma through Christ's work on the cross and the application of saving grace to unbelievers Demarest's unique approach defines each topic identifies its most pressing issues examines the ways in which the doctrine has been understood historically and interprets the Bible's revelation The result is a clear and carefully constructed doctrinal statement that you can defend live out and communicate to others This singular comprehensive treatment of one of Christianity's essential doctrines gives definitive Bible based answers about salvation and the cross and about related theological issues such as grace and regeneration It's perfect for clarifying your theology and gaining deep understanding of this foundational theme Part of the Foundations of Evangelical Theology series The Cross and Salvation Bruce A. Demarest, 1997 Features singular comprehensive discussion and analysis of key evangelical doctrines including the doctrine of salvation sin the Holy Spirit man and the person and work of Christ **Deification Through the Cross** Khaled Anatolios, 2022-06-02 A unified soteriology for the whole church It is commonly claimed that Western Christianity teaches salvation as deliverance from sin through Jesus's sacrifice on the cross while Eastern Christianity teaches salvation as deliverance from death and as deification through Christ's incarnation But is it really true that no normative unified doctrine of salvation is to be found in Scripture and tradition Theologian Khaled Anatolios deeply grounded in both East and West here advances a soteriology that speaks deeply to all Christians He argues that both Eastern and Western perspectives are needed and especially that Eastern theology and liturgy contrary to Western misperceptions hold cross resurrection and glorification together in an exemplary way Anatolios uses the phrase doxological contrition to suggest that the truth of salvation is found both in Jesus's perfect glorification of God and in his representative repentance for humanity's sinful rejection of its original calling to participate in the life of the Holy Trinity Deification through the Cross is a salutary rebuttal of the postmodern fragmentation that assumes no single normative soteriology can apply globally Anatolios systematically expounds an integrated soteriology which he then puts into dialogue with various perspectives including liberation theology Girardian theory and penal substitution All who seek to understand and teach the joy of our salvation will find indispensable help in this magisterial retrieval of an often misunderstood doctrine *The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says* Michael J Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers understanding of the atonement and their

doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer [www.themysteryofthecross.com](http://www.themysteryofthecross.com)

### **The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean**

Michael Southard, 2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth

*Christianity Without the Cross* Thomas A. Fudge, 2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M Greer C H Tadon Wynn T Stairs Earl Jacques E P Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study

argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church *The Victory of the Cross* James R. Payton Jr.,2019-09-24 How can Christians claim that the death of Jesus Christ on the cross is a victory Eastern Orthodoxy has made its own contributions to the belief in salvation through Christ but its expressions sometimes sound unfamiliar to Western branches of the church James Payton explores the Orthodox doctrine of salvation helping Christians of all traditions listen to Orthodox brothers and sisters

**The Cruciality of the Cross** P. T. Forsyth,1997-01-08 It is sometimes said that the great question of the hour for the Church's belief is Christological it is the question of Christ's person That is true But it is the question of the cross all the same p16 Written over seventy years ago P T Forsyth's Cruciality of the Cross continues to provide an excellent and vital foundation for an understanding of the Christian doctrine of the atonement *Christian Theology* Alister E. **Global Dictionary of Theology** William A. Dyrness,Veli-Matti Kärkkäinen,2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum

of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today s global context     Aspects of Assemblies of God Origins Daniel D. Isgrigg,2024-08-27 With the Assemblies of God now over a century old this book takes a fresh look at critical issues in the AG s origins While not a comprehensive retelling this book is a series of essays that explore different historiographical issues that will clarify or correct historical narratives with new research Topics include re examining the early relationship with the Church of God in Christ assessing the AG s evangelical identity and attitudes toward theology and education Some three decades since the last AG history this volume will shed new light on these important theological and cultural issues to better understand its roots Perhaps these conversations will help the AG better understand its history as the fellowship approaches the problems it faces today     A Christian Theology of the Cross Allen George,2010-07-29 A CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between God s approval of Abel s offering and the establishment of the priesthood and names Genesis 4 7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4 9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abel s offering don t negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance     The Word of the Cross J.
