Cross And The Covenants:

Saved By The Cross: How The Covenant Unveils The Meaning Of The Cross Mark Skillin, 2015-07-09 In this his follow up to Saved By Faithfulness Mark Skillin examines the death of Jesus on a cross in light of the biblical covenant He argues that a covenantal perspective brings together two often opposing views that Christ's death was an atonement for sin and that Christ's death provided a moral example for how we are to live Saved By The Cross argues that the cross both cleanses us from sin and calls us to pick up our own cross daily

Cross Covenant R. Larry Shelton, 2006-10-01 Seeking a fresh missionally relevant account of Christ's work Larry Shelton analyzes the biblical notion of sacrifice as a gift alongside other theories of atonement He attempts to show a historical movement away from penal substitutionary theologies toward a Trinitarian relational model

The Book of Covenants Brent Adkisson, 2017-04-13 The Book of Covenants is a fresh perspective on the story of redemption as found within the covers of the Christian Bible God did not choose religion to accomplish His goals but instead He carried out His masterful plan of salvation through a series of covenants Biblical covenants offer great insight into the nature character and faithfulness of Yahweh the covenant keeping God These relational covenants give us assurance of God's blessings and promises while establishing a clear path to eternal life in Jesus Christ Knowing the terms of these covenants will help the believer live a life pleasing to God with peace and confidence through understanding their expectations of being in a covenant relationship with God
