Cross And The Resurrection:

The Cross Is Not Enough Ross Clifford, Philip Johnson, 2012 International apologists present a compelling and inspiring case for how to draw on the resurrection for everyday Christian living The Cross and the Resurrection The Navigators, 1996-06 The LIFE AND MINISTRY OF JESUS CHRIST series recounts the life of Christ who He is what He taught things He did If you want to know Christ more fully this will challenge you and teach you to follow Him more closely

Scandalous D. A. Carson, 2010-02-03 How are Christians to approach the central gospel teachings concerning the death and resurrection of Jesus The Bible firmly establishes the historicity of these events and doesn't leave their meanings ambiguous or open to interpretation Even so there is an irony and surprising strangeness to the cross Carson shows that this strange irony has deep implications for our lives as he examines the history and theology of Jesus's crucifixion and resurrection Scandalous highlights important theological truths in accessible and applicable ways Both amateur theologians and general readers will appreciate how Carson deftly preserves weighty theology while simultaneously noting the broader themes of Jesus' death and resurrection Through exposition of five primary passages of Scripture Carson helps us to more fully understand and appreciate the scandal of the cross **The Sign and the Sacrifice** Rowan Williams, 2016-11-29 Rowan Williams former Archbishop of Canterbury presents the Gospel accounts of Jesus' crucifixion and resurrection as viewed through the eyes of those who witnessed them The Sign and the Sacrifice explores the meaning of the cross and the significance of Christ's resurrection discussing what these events meant to Jesus' followers in the early years and what they can say to us today **The Empty Cross of Jesus** Michael Green, 2023-09-28 The cross is too important a matter to be left to the theologians If it is true that God almighty was in Christ redeeming the world on Calvary then we need to understand what that cross can mean for ordinary individuals and communities With this conviction Green reexamines the question of atonement Why did Jesus have to die How could a loving God allow his son to suffer And what role does the resurrection play in this divine drama Rooting his discussion in Scripture Green opens up the meaning of Easter in an easy nontechnical style The empty cross of Jesus liberates the theologian inspires the preacher comforts the counselor and fortifies every disciple for a life of self sacrifice The Cross Bob Sorge, 2021-02-12 Kneel again in blood and water and revisit the hill where the two of you first met Understand the great paradox of the cross He suffered so we never have to and He suffered to show us how His cross will make sense of your sufferings Your faith will be strengthened as you believe God for your own resurrection This is the most profound writing on the cross I have ever read The magnitude of this book is almost beyond my ability to describe it's a treasure of truth Don Wilkerson Co Founder Teen Challenge **Christians at the Cross** Nicholas Thomas Wright, 2007 The wisdom of Wright's biblical reflections applies to anyone who is suffering and offers a passage to hope through Christ and his victory over death The Way of the Cross Inos Biffi, 1997 These books combine clear text with lavish colorful pictures to help readers understand the foundations of the Catholic faith The Gift of the Cross Charles F.

Stumbling over the Cross Joni S. Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world

Between Cross and Resurrection Alan E. Lewis,2003-06-20 For much of Christian history the church has given no place to Holy Saturday in its liturgy or worship Yet the space dividing Calvary and the Garden may be the best place from which to reflect on the meaning of Christ s death and resurrection This superb work by the late Alan Lewis develops on a grand scale and in great detail a theology of Holy Saturday The first comprehensive theology of Holy Saturday ever written Between Cross and Resurrection shows that at the center of the biblical story and the church s creed lies a three day narrative Lewis explores the meaning of Holy Saturday the restless day of burial and waiting from the perspectives of narrative hearing the story doctrine thinking the story and ethics living the story Along the way he visits as many spiritual themes as possible in order to demonstrate the range of topics that take on

fresh meaning when viewed from the vantage point of Holy Saturday Between Cross and Resurrection is not only incisive and elegantly written but it is also a uniquely moving work deeply rooted in Christian experience While writing this book Lewis experienced his own Holy Saturday in suffering from and finally succumbing to cancer He considered Between Cross and Resurrection to be the culmination of his life s work **Jesus, the Cross and the Resurrection** Rolando José

Olivo,2019-07-12 In this publication three themes closely related that arise from the life works teachings miracles and legacy of the Lord are analyzed a the Christian cross b the resurrection of Jesus and c the afterlife Although the Christian cross is a relevant religious symbol it has created controversies among different Christian groups and some even deny that Jesus died on a cross In addition the resurrection of Jesus is the most incredible extraordinary exceptional and unusual supernatural phenomenon accepted in the beliefs of humanity which forces researchers to raise several questions regarding its validity While the existence of God and the afterlife give meaning to the sacrifice resurrection and ascension of Christ to heaven

Lo, I Tell You a Mystery David A. Ackerman,2006-02-01 The divine mystery as interpreted by Paul offers transformation The believer who identifies with the death and resurrection of Christ by putting to death the old way of life Rom 6 5 11 Gal 2 20 enters into a new sphere of influence characterized by intimate fellowship with Christ One who is in this sphere is free from the snare of Adam and the world and is no longer bound by the power of sin and death The divine mystery also offers a new source of power by the indwelling Holy Spirit The Spirit brings gifts to those in Christ that enable them to function as community The highest and most significant of these is love which brings diversity together into unity The indicative is that the Spirit graces believers with love The imperative is that they should follow after the example of Paul and hence Christ in loving others The divine Spirit is described as holy and makes holiness possible for those in Christ The indicative is that fellowship with Christ is possible because of redemption The imperative is that Christ demands loyalty which cannot be shared with any other particularly with prostitutes who represent the ways of the world or idols that open doors for demons from the Conclusion **Preaching the Cross and the Resurrection** Gregory Tyree,2014-04-13 The cross of Christ is the very pinnacle of the Christian faith Without the cross there is no salvation and without salvation there is no hope The world finds the bloodied cross and the mangled flesh of a Savior to be offensive and even foolish But its is the stark reality of Christ s suffering that paves the way for the forgiveness of sins and the prospect of eternal life And yet as powerful as the crosswork of Christ is it would be meaningless without the literal resurrection of Jesus It is His bodily physical and literal resurrection that sets Christianity apart from all the world s many other religions While billions look to lifeless and powerless gods and systems of religion to merit eternal life or nervana or Shangrala only those who place their sincere faith in the Son of God Who died and was raised from the dead for our sins will experience eternity in heaven as well as victory over sin in the here and now This collection of sermons presents several series that will help the busy pastor prepare and deliver life changing messages that point people to the cross and the empty tomb *Weep Not for Me* John Vernon Taylor,1986 **Knowing**

Him Dr Mel Lawrenz, Ph.D.,2015-01-31 Jesus is intriguing enough as a historical figure but he is much more than that Jesus the Messiah is the source of grace and truth forgiveness and confrontation power and wisdom and life No wonder the apostle Paul said I want to know Christ yes to know the power of his resurrection and participation in his sufferings becoming like him in his death and so somehow attaining to the resurrection from the dead Philippians 3 10 11 Knowing Him is a set of devotional readings focusing on why Christ came and what he accomplished for humanity through his sacrificial death and triumphant resurrection FROM THE INTRODUCTION TO THE READER The life and teachings of Jesus are worth a lifetime of study contemplation and application So too his death and resurrection Jesus made it very clear that he had a purpose in coming and that this purpose would be fulfilled at the time when he was betrayed handed over to the authorities killed and raised from the dead And so for centuries in the spring of the year around the time of the Passover Christians have turned their attention to the accounts of the suffering of Jesus and of his astonishing resurrection from the dead The apostle Paul said I want to know Christ yes to know the power of his resurrection and participation in his sufferings becoming like him in his death and so somehow attaining to the resurrection from the dead Philippians 3 10 11 In his book The Cruciality of the Cross P T Forsyth said Christ is to us just what his cross is All that Christ was in heaven or on earth was put into what he did there You do not understand Christ till you understand his cross Emil Brunner said He who understands the cross aright understands the Bible he understands Jesus Christ The Mediator And in The Truth of God Incarnate Stephen Neill said the death of Christ is the central point in history here all the roads of the past converge hence all the roads of the future diverge May these short readings give you the opportunity to reflect on the truth about what God did for the human race in Christ

W. Tozer,2009-11-18 Who was ultimately responsible for sentencing Jesus to death on the cross Can we ever be good enough for God Do all religious people go to heaven In *Who Put Jesus on the Cross* A W Tozer examines some of the most difficult questions of the Christian faith His indictment of lackluster belief forms the cornerstone of his appeal as he asks the reader what it really costs to be a Christian Tozer inspires conviction that will have you digging deep within your heart to newly realize the meaning of Christ s death and resurrection and discover the Word of God as the foundation of our peace and rest

The Cross that Spoke John Dominic Crossan,2008-03-01 In this revolutionary work John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account He

argues boldly that the apocryphal Gospel of Peter discovered in the grave of a Christian monk in Egypt circa 1886 contains the earliest version of the death burial and resurrection of Jesus He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew Lacking in the revision he suggests is the very heart of the earlier Passion its depiction of Jesus death as the consummation of Israel s pain and the resurrection as the vindication of Israel s faith
