Cross-Cultural Dimensions in Conscious Thought George A. De Vos, Eric S. De Vos, 2004-03-12 Cross Cultural Dimensions in Conscious Thought represents a major contribution describing an empirically validated method for analyzing the thematic content of narratives as a tool for comparative research in Anthropology Cultural Psychology and Ethnopsychiatry This second volume in the two volume series presents research conducted in Ireland Kenya Japan the Philippines Canada the United States India Brazil and Venezuela This research illustrates for the cross cultural researcher the usefulness of projective techniques as a means for eliciting culturally relevant information from informants It also exemplifies how the analysis of narrative themes when it is related to other material obtained in field settings can reveal meaningful within group and between group differences in human experience and can help us make sense of conscious human experience across a wide range of sociocultural contexts *Personality Assessment* Robert P. Archer, Steven R. Smith, 2014-04-03 The first edition of Personality Assessment provided an overview of the most popular self report and performance based personality assessment instruments The chapter authors were key members in creating or developing the research base for the eight test instruments covered in the book The text was geared with graduate level clinical school and counseling psychology courses in mind While still retaining all the attractive features of the first edition this revision will reflect the advances in the field since 2008 Chapter contributors updated and expanded on reliability and validity data clinical utility multicultural considerations and implications for therapeutic assessment Another distinctive feature of this second edition is a companion website that features ancillary materials such as PowerPoints and test banks Journal of Cross-cultural Psychology, 2009 *The Oxford Handbook of Personality and Psychopathology Assessment* Joni L. Mihura, 2025 In this second edition of the Oxford Handbook of Personality Assessment now titled The Oxford Handbook of Personality and Psychopathology Assessment Joni L Mihura brings together a respected group of international contributors to cover significant changes within the field of personality assessment The Handbook is updated to cover a range of topics focusing on four major goals to integrate contemporary dimensional models of personality and psychopathology to use a multimethod approach in which the method of assessment shapes the desired construct to integrate collaborative therapeutic assessment C TA when possible and to consider personality and psychopathology assessment through the lens of human diversity *Psychocultural Research with the Thematic Apperception Test: Cross-cultural dimensions in conscious thought: narrative themes in comparative context* George A. De Vos, 2004 Interfaith Dialogue and Mystical Consciousness in India Isaac Portilla, 2025-01-31 Interfaith Dialogue and Mystical Consciousness in India is a research inquiry in interfaith studies that uses hermeneutical phenomenology to address vexing issues arising in the study of mysticism and enlightened sages This book raises the following questions If all human beings have access to mystical consciousness and some do access it how is it that only a few become luminary sages displaying extraordinary power What is the ethical responsibility of such sages

And how is the encounter among sages mystics of different traditions contributing to the harmonious unfolding of religious diversity The author provides original answers and a renewed vision of Hinduism through the lens of two of the most loved and admired sages of modern India Sri Ramana Maharshi and Sri Aurobindo This book is a blueprint for transformative research on religion it envisions an innovative method integrative hermeneutical phenomenology contributing to the development of interfaith mysticism Bringing to the fore key themes such as Self realization the Hari Hara mystery and Mystic Fire the author shows the importance of mystical experience in the understanding of the religious Other and the future of religion The book will be of interest to scholars and students of religious studies inter religious interfaith studies comparative religion theology and interfaith relations and to thoughtful readers with an interest in Asia and spiritual practice Those interested in the mysteries of India and Hindu spirituality will find in this book a pioneering analysis of Hindu mystical consciousness and the Christian encounter with it *Basic Dimensions in Conscious Thought* George A. De Vos, Eric S. De Vos, 2004-03-12 Describes an empirically validated method for analyzing the thematic content of narratives as a tool for comparative research in Anthropology Cultural Psychology and Ethnopsychiatry *Resources in Education* ,1990
