Crossing The Narrow Gate:

The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says Michael J Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer www.themysteryofthecross.com *John of the Cross* Saint John of the Cross, 1987 COPY 2 LOCATED IN STACK **The path back to the essence: from Hades to the inner light** Ari El Luzi, 2025-07-16 This book is an invitation a call to those who dare to look within beyond the superficialities and illusions that inhabit the fallen mind In it I propose a journey through the cycles of the soul ancient and eternal paths that lead to the deepest essence of being Where chaos and Hades will undoubtedly be part of the journey It s not an easy path Each stage reveals challenges trials and sacrifices that seem to tear at our constructed identity the mask we wear to survive in the world needs to be destroyed But it is precisely in this painful process that the seed of true transformation lies the encounter with the light that promises not escape but revelation the decision to remain even when the pain seems unbearable The mysteries revealed here are not mere theories or philosophies but protocols of a lived experience a method that demands courage and humility detachment and surrender It is the call to awakened consciousness to the rebirth of the soul that chooses the narrow path rejecting vanities and aligning itself with its original purpose If you are willing to pass through the narrow gates face the inner underworld and recognize the true guidance within this book will be your faithful companion May it illuminate your path and strengthen your discipleship with the living Truth Welcome to the journey **God's Best for My Life** Lloyd John Ogilvie, 2020-10-06 My prayer is that this will be one of the most exciting years of your life Lloyd John Ogilvie Don t Settle for Anything Less A lot has changed since this timeless devotional was first released almost 40 years ago but one truth has stayed the same a loving Savior still calls you closer to Him and wants His very best for you Will you accept His gracious invitation These short yet powerful devotions will take you less than 10 minutes each to read but their impact on your daily life will be incalculable As you fellowship with God and learn more about Him you ll experience anew His grace mercy wisdom and more This beautifully designed edition of this classic devotional makes an ideal gift or a great way to rededicate yourself to spending more time in God s presence Are you ready to experience His best Start today **The Soul of a Pilgrim** Christine Valters Paintner, 2015-05-05 The

renowned author of eight books and abbess of the online retreat center Abbey of the Arts Christine Valters Paintner takes readers on a new kind of pilgrimage an inner journey to discover the heart of God Eight stages of the pilgrim s way from hearing the call to coming home are accompanied by scripture stories of great biblical journeys and the author s unique and creative practices of prayer writing and photography As she did in *The Artist s Rule and Eyes of the Heart* Christine Valters Paintner once again helps readers travel to the frontiers of their souls to discover the hidden presence of God In *The Soul of a Pilgrim* Paintner identifies eight stages of the pilgrim s way and shows how to follow these steps to make an intentional transformative journey to the reader s inner wild edges Each phase of the exploration requires a distinct practice such as packing lightly being uncomfortable or embracing the unknown Paintner shows how to cultivate attentiveness to the divine through deep listening patience and opening oneself to the gifts that arise in the midst of discomfort Each of the eight chapters offers reflections on the themes a scripture story an invitation to the practice of lectio divina and a creative exploration through photography and writing

Hunnic onslaught via the same mountain pass bringing about the end of the world Humanity's fate depended on a gated barrier deep in Europe's highest and most forbidding mountain chain Centuries before the emergence of such apocalyptic beliefs the gorge had reached world fame It was the target of a planned military expedition by the Emperor Nero Chained to the dramatic sheer cliffs framing the narrow passage the mythical fire thief Prometheus suffered severe punishment his liver devoured by an eagle It was known under multiple names most commonly the Caspian or Alan Gates Featuring in the works of literary giants no other mountain pass in the ancient and medieval world matches Dariali's fame Yet little was known about the materiality of this mythical place A team of archaeologists has now shed much new light on the major gorge blocking fort and a barrier wall on a steep rocky ridge further north The walls still standing today were built around the time of the first major Hunnic invasion in the late fourth century when the Caucasus defenses feature increasingly prominently in negotiations between the Great Powers of Persia and Rome In its endeavor to strongly fortify the strategic mountain pass through the Central Caucasus the workforce erased most traces of earlier occupation The Persian built bastion saw heavy occupation for 600 years Its multi faith medieval garrison controlled Trans Caucasian traffic Everyday objects and human remains reveal harsh living conditions and close connections to the Muslim South as well as the steppe world of the north The Caspian Gates explains how a highly strategic rock has played a pivotal role in world history from Classical Antiquity into the twentieth century St. Andrew's Cross ,1907
