Magill,1999 Who's who in the Twentieth Century Asa Briggs, 1999 From Albert Einstein to the Marx Brothers this authoritative reference book provides 2000 biographies of men and women from different countries and cultures who have contributed to the thought as well as the action of the twentieth century For anyone seeking clear and accurate information on the leading figures of this century it is an essential work of reference Biographies of 2 000 famous men and women of this century Leading figures from politics religion science literature medicine cinema sport and many other fields of human activity Worldwide coverage spanning all countries and cultures Authoritative entries written in a clear and accessible style Up to date and reliable information Ideal for browsing An essential work of reference History Of Science In The U.S. Clark A. Elliott, 2021-11-18 First published in 1996 The intention of this volume is two fold first to give a chronologically arranged overview of selected data on the history of science in the United States and second to orient the reader to the substantial reference literature and research sources as guidance to further study of the topic The subject areas that are covered include astronomy biology chemistry geology mathematics physics and their related disciplines areas such as anthropology and psychology are covered to a lesser extent Science is the central focus but the content of the work recognizes that the boundaries between subjects or activities are not absolute and certainly not when coverage spans several centuries Dictionary of World Biography Frank Northen Magill, 1999 Each volume of the Dictionary of World Biographycontains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

Dictionary Of Twentieth Century World Biography: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a guiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
