# Dictionary Of Political Parties And Organizations In Russia

**Vladimir Pribylovskii**

## Dictionary Of Political Parties And Organizations In Russia:

*Dictionary of Political Parties and Organizations in Russia* Vladimir Pribylovskii, 1992 This is a guidebook to the top 120 political parties and movements in Russia The dictionary covers the complete political spectrum from the democracy movements to the various Marxist Bolshevik socialist labour ecological feminist anarchist nationalist extreme right and monarchist movements that have emerged since 1987

*Political Parties in the Regions of Russia* Grigorii Golosov, 2004 Combining statistical and qualitative analysis including numerous case studies this text explains why political parties have failed to take hold in Russia's regions The author's argument is bolstered by a database of regional elections held between 1993-2003

[Political Parties in Russia](#) Alexander Dallin, 1993

**The Russian Parliamentary Elections of 1995** Open Media Research Institute, 2024-11-01 This work provides an introduction to some of the most important and representative genres of classical Korean literature Coverage includes Samguk sagi and samguk yusa as literature Kunmong and Unyongchon the lyricism of Koryo songs and the literature of Chosen Dynasty Women

**Russia's Revolution from Above 1985-2000** Gordon M. Hahn, Relying on a wealth of detailed institutional policy and elite information Hahn presents a magisterial study that fills a significant void in our understanding of USSR's destruction While readers may at times feel overwhelmed readers are presented with a conceptual approach that can be useful for appreciating ongoing institutional changes and often subtle elite maneuverings in the post Soviet era John P Willerton University of Arizona This is a big book in all respects weighty both in size and scholarship The core is a meticulous analysis of the perestroika period of the Soviet Union 1985-91 Followed by a concluding general chapter that applies the earlier analysis to post Communist Russia 1992-2000 The work is based on years of painstaking analysis considerable archival research and numerous interviews The Russian Review This is an important book with a number of substantive strengths Slavic Review The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat led state based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990-91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military were under RSFSR control In Hahn's account this mode of revolutionary change

from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to concentrate on institutional reforms society needs for the development of a free polity and economy Russia's Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars Gordon M Hahn is visiting scholar at the Hoover Institution Stanford University His articles on Soviet and Russian politics have appeared in *Europe Asia Studies Problems of Post Communism Russian Review* and *Russian History Histoire Russe* *Assembly* West Point Association of Graduates (Organization), 1992 *Political Parties in the Russian Regions* Derek S. Hutcheson, 2005-08-03 This book based on extensive original research in a range of Russian provinces examines political parties in the new Russia exploring in particular how party activism on the ground actually works in practice *Bibliographic Guide to Soviet and East European Studies, 1992* G. K. Hall and Co. Staff, 1993-06 *Politics in Russia and the Successor States* Donald R. Kelley, 1999 In this book the author focuses on comparative topical issues such as political culture executive leadership legislatures and parties Each chapter begins with a theoretical introduction that offers a comparative perspective and links Russia and the successor states to other parts of the world Designed for comparativists rather than specialists this book sheds fresh light on an emerging democracy and explores how such an astonishing world event came to be This study of Russia and the successor states is framed within a theoretical examination of democratization and encompasses the first efforts at reform and democratization in the nineteenth century that led to the eventual creation of a pluralistic society with its beginning as early as the Khurshchev era and the monumental movement toward democratization after 1991 Back cover *Information Sources of Political Science* Stephen W. Green, 2005-07-15 This comprehensive political bibliography offers 2500 entries covering a wide variety of source types indexing and abstracting services major bibliographical tools encyclopaedias dictionaries handbooks directories statistical compilations and more *Elections in Russia, 1993-1996* Grigorii Golosov, 1999 **Elections and Political Order in Russia** Peter Lentini, 1995 Russia held its first multiparty election in over 75 years in the hope that it would usher in a new democratic political order However the success of right wing populist Vladimir Zhirinovskiy's Liberal Democratic Party of Russia and other anti reform forces shocked the world This work analyzes the background events and main players of the elections and looks at their significance for the Russian political system As the first volume length study of the December 1993 voting it provides historical political regional and sociocultural interpretations of the elections and their results Contributions are made by leading scholars as well as by some promising newcomers to the field from the UK Russia Eastern Europe and Australia **Political Parties in Western Siberia, August 1991-October 1993** Grigorii Golosov, 1994 *Who is who in the Russian Government* Pavel Gazukin, Andrei Vasilevskii, 1992 **Historical Dictionary of Socialism**

James C. Docherty, Peter Lamb, 2006-10-02 Primarily concerned with the historical roots and contemporary condition of socialism the second edition of the Historical Dictionary of Socialism offers information on writers activists ideas political parties institutions and movements that sought\_ and in many cases are still seeking\_ to change the social and political order It reflects the diversity in the broad movement of the left the many variants of which include reformist social democracy revolutionary Marxism the New Left and contemporary anti capitalism Taking up where the first edition left off this thoroughly revised dictionary shows how socialism has been reacting reforming and also expanding This is done through a chronology a list of acronyms and abbreviations an introductory essay a bibliography and a cross referenced dictionary section with 114 new entries some on the current leadership others on the many new parties of Central and Eastern Europe and the Third World and yet others on the reaction to globalization This book will provide a mine of information for teachers and students of political ideologies comparative politics political sociology labor history and political theory      **Subject Encyclopedias** Allan Mirwis, 1999 This useful two volume set will provide buyers of subject encyclopedias with a substantial amount of valuable information they can use in making their purchasing decisions It will also provide all types of librarians and their patrons with a quick one stop method for locating the appropriate subject encyclopedias for their needs and for locating articles in the 100 encyclopedias Librarians who specialize in bibliographic instruction will also find it to be a useful tool for teaching students how to locate needed information      Russia Lesley Pitman, 1994 Annotation A comprehensive bibliography that covers the broad range of English language scholarly books on Russia and the USSR which have appeared in recent years A completely revised version of the 1979 edition it contains 1 274 annotated main entries While history politics and literature are covered in depth other important contemporary issues such as the nationalities question are considered as are subjects of more general interest including art and music sport and cookery Annotation copyright by Book News Inc Portland OR      *The Troubled Birth of Russian Democracy* Michael McFaul, Sergei Markov, 1993 The demise of communism in the Soviet Union could not have occurred without the activism of dissident anticommunist leaders who created and nourished a climate in which ordinary Russians gained the courage to stand up to and defeat communist control But with communism ousted what new form of government and what new leaders will emerge in Russia a society that has never known democracy Michael McFaul a research associate at Stanford University's Center for International Security and Arms Control and Sergei Markov an assistant professor at Moscow State University interviewed anti communist leaders and collected the documents of anticommunist parties in the months preceding and immediately following the August 1991 attempted coup d etat To examine the range of the political spectrum in Russia they also talked to procommunist leaders who emerged to oppose Mikhail Gorbachev's reforms nationalist and anti Semitic leaders of movements such as Pamyat labor unions Christian movements and organizations opposed to the division of the Soviet Union What emerges is a kaleidoscope of leaders with distinct ideas on key issues facing Russia how to reform the economy what role the market should play in a new

economic system how to respond to growing demands from non Russian republics for independence what leaders can be trusted what Russia s relations with the West should be and what form of government would be best for Russia Gathered here are essays offering historical background on the parties selected interviews with prominent members of these groups and important party documents Whether democracy will flourish in Russia remains in question The parties profiled here actively involved in the debate over Russia s future offer readers an insider s look into contemporary Russian politics

*Russian History* ,1995      **The Russian Pendulum** Arthur Bullard,1919
