solument contemporain cet ouvrage de référence a pour principe de faire le point sur l'état de la science en homéopathie. Comme un traité, il apportera aux lecteurs médecins généralistes, homéopathes débutants ou confirmés et spécialistes une vision globale et actualisée de la discipline. Une première partie présente les fondamentaux : principes généraux, histoire, philosophie, spécificité de la consultation, etc. ainsi qu'un chapitre spécifique consacré à la recherche en homéopathie. Dans une deuxième partie, sont traités les spécialités médicales qu'elles soient d'organe ou d'appareil : cardiologie, dermatologie, ophtalmologie, endocrinologie, gastro-entérologie, rhumatologie, uro-néphrologie, etc. de maladie, cancérologie, de milieu, infectiologie, médecine environnementale, médecine du sport, traumatologie ou mentale, psychiatrie, ou encore consacrés à certains types de patients : pédiatrie, gynécologie, obstétrique. Le traitement des principales pathologies y est clairement explicite. Chaque chapitre est assorti d'un focus qui aborde un aspect essentiel et contemporain de la spécialité correspondante, comme par exemple l'accompagnement de la maladie d'Alzheimer, du cancer du sein, ou encore les troubles de l'attention en pédiatrie. Dans cet ouvrage incontournable, les coordinateurs ont pour la première fois rassemblé des auteurs reconnus issus d'horizons différents afin d'offrir une vision large et ouverte de la discipline.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
