Art Deco and Modernist Carpets Susan Day, 2002-10 In 1927 the critic René Chavance identified carpet production as the most successful of the decorative arts in achieving the more visionary aims of the times Susan Day's book a work of original scholarship accompanied throughout by illustrations both of the carpets themselves and of contemporary interiors demonstrates that these Art Deco carpets have lost none of their decorative power A significant number of the carpets are shown precisely as they were meant to be seen within the rooms for which they were made The fruits of the remarkable Art Deco efflorescence throughout Europe form the first part of the book In the second the focus turns to the reaction against the artistes decorateurs by the champions of modernism In France the designs of Sonia Delaunay Eileen Gray and Jean Lurcat evoked collage and Cubism the Bauhaus and Scandinavia provided different influences The fashion for abstract and modernist rugs was further stimulated by limited editions of rugs woven from works by such artists as Picasso Klee and Miro while in the USA designers developed a style that was distinctly American This visual feast of appeal not only to carpet collectors and textile specialists but to anyone with an interest in 20th century design ranges from the supremely imaginative achievements of Paul Poiret's unique weaving studio the Ecole Martine to the Scandinavian folk traditions of Marta Maas Fjetterstrom the innovations of Frank Lloyd Wright and Donald Deskey in the USA and Gunta Stolzl's handwoven carpets in Germany The book's invaluable reference section includes detailed information on artists manufacturers and retailers their signatures and monograms and a glossary and bibliography Book Jacket
