### **Did I Miss Anything Selected Poems 19731993:**

**The Order in Which We Do Things** Tom Wayman, 2014-03-24 Tom Wayman's poetry has been published around the world to great acclaim. Wayman is one of Canada's most prolific and public poets and his writing since the 1960s has been by turns angry, engaged, hopeful, tender, and hilarious. His voice and persona are his alone but simultaneously ours too. His recurring themes: work, mortality, love, lust, friendship, the natural world, make his work a poetry of human inevitabilities, a poetry that exults in the inevitability of seeing poetry in the everyday. Wayman's craft is poesis from the Ancient Greek to the modern, making a change, making a difference, making a ruckus, making the most of our time. His working life has always been inextricable from his writing; one of his poems offers an honest and candid consideration of the ideological underpinnings, practical realities, and subtle beauties of a life lived on job sites and picket lines, in union halls, classrooms, and book-stuffed offices, and on the page itself. *The Order in Which We Do Things* is a collection of more than thirty of Wayman's best poems, selected and introduced by Owen Percy. Percy's introduction explores the genesis of Wayman's print persona and contextualizes his politically engaged conversational voice within the pantheon of its various publics. In his afterword, *Work and Silence*, Wayman reflects on his more than forty years in print as a work poet and underlines poetry's sustained power to engage readers, invite solidarity, and stoke the fires of critical resistance to the order in which we do things. **Writing**

**Theology Well 2nd Edition** Lucretia B. Yaghjian, 2015-09-24 A working guide for students conducting theological writing and research on theology and biblical studies courses, this book integrates the disciplines of writing rhetoric and theology to provide a standard text for the teaching and mentoring of writing across the theological curriculum. As a theological rhetoric, it also encourages excellence in theological writing in the public domain by helping to equip students for their wider vocations as writers, preachers, and communicators in a variety of ministerial and professional contexts. This 2nd Edition includes new chapters on *Writing Theology in a New Language*, which explores the linguistic and cultural challenges of writing theology well in a non-native language, and *Writing and Learning Theology in an Electronic Age*, addressed to distance learning students learning to write theology well from online courses and dealing with the technologies necessary to do so.

*Did I Miss Anything?* Tom Wayman, 1993 His is a wry, down-to-earth, often humorous vision, a perceptive everyman's view of life couched in straight-forward, accessible language. *Coast News*. *The Wascana Poetry Anthology* University of Regina. Canadian Plains Research Center, 1996 This is an anthology of English verse from the Middle Ages to recent times from both sides of the Atlantic. Special emphasis has been given to poetry by writers of the Great Plains region, both Canadian and American, and by Aboriginal poets. Intended for introductory classes, poems have been selected with an eye to works not necessarily easy ones which address experiences and ideas more readily available to beginning university students and which are more direct and straightforward in expression than many currently anthologized. **A Buddhist in the Classroom** Sid Brown, 2014-02-07 Sid Brown brings a Buddhist perspective into the classroom to explore the ethical quandaries lived
