## **Die B Panzer Division Wiking:**

**From the Realm of a Dying Sun** Douglas E. Nash, 2021-02-11 An excellent and thought provoking chronicle of the IV SS Panzerkorps in Hungary and Austria in the last months of World War II with maps Globe at War In the closing months of World War II with Budapest's fall on February 12 1945 and the breakout attempt by the IX SS Gebirgskorps having failed the only thing the IV SS Panzerkorps could do was fall back to a more defensible line and fortify the key city of Stuhlweissenburg Exhausted after three relief attempts in January 1945 and outnumbered by the ever increasing power of Marshal Tolbukhin's Third Ukrainian Front SS Obergruppenführer Gille's veterans dug in for a lengthy period of defensive warfare However Adolf Hitler had not forgotten about the Hungarian theater of operations nor the country's rich oilfields and was sending help To the detriment of the defense of Berlin SS Oberstgruppenführer Sepp Dietrich's legendary 6 Panzerarmee was on its way not to retake Budapest but to encircle and destroy Tolbukhin's forces and completely reverse the situation in southeastern Europe in Hitler's favor This overly ambitious offensive known as Frühlingserwachen Spring Awakening was soon bogged down in the face of resolute Soviet defenses aided by the springtime thaw Heralded as Nazi Germany's last great offensive of World War II it resulted in great losses to Hitler's last armored reserve in exchange for only minor gains Though it played a supporting role during the battle the IV SS Panzerkorps was soon caught up in its aftermath after the Red Army launched its Vienna Operation that nearly swept the armies of Heeresgruppe Süd from the battlefield Withdrawing into Austria Gille's battered corps attempted to bar the route into Germany while the Red Army bore down on Vienna Forced to endure relentless Soviet attacks as well as the caustic leadership of the 6 Armee commander General Hermann Balck the men of the IV SS Panzerkorps fought their way through Austria to reach the safety of the demarcation line where it finally surrendered to U S forces on May 9 1945 after nearly a year of relentless campaigning **Special Bibliographic Series** US Army Military History Research Collection, 1978 Once I Had a Comrade R. W. Byrd, 2006 Once I Had a Comrade is the story of the author's German father in law Karl Roth who grew up during the tumultuous 1930s in the Franconian town of Schweinfurt located in northern Bavaria and of his regiment 36th Panzer Regiment When the Second World War began he found himself conscripted into the army and assigned as maintenance private to the headquarters company of Schweinfurt's new branch of service the 36th Panzer Regiment assigned to 4th Panzer Division until November 1940 14th Panzer Division thereafter They participated in the campaigns in Poland 1939 France 1940 and Yugoslavia 1941 before serving on the Eastern Front southern sector until destruction at Stalingrad 1943 The division was then rebuilt and again served in the southern sector of Russia before being transferred to Kurland in late 1944 where it saw out the rest of the war serving with 18th Army During these campaigns Karl Roth repaired nearly every type of tank in the German arsenal holding the rank of master sergeant by the end of the war After six years of conflict he survived being blown off his tank dysentery malaria weeks separated behind enemy lines a possible court martial and was awarded the Gold Tank Destruction Badge As Richard

Byrd began to research the story several questions arose about the unit and his father in law including What kind of man was he Where did he fight and what tactics were used Why wasn't a regimental history written after the war What was their strength and what strategic events affected them Many of the answers to these questions were supplied by books but more important than all the numbers and statistics gathered for the research were the first hand accounts related to him by his mother in law and survivors of the regiment who have provided a host of original photographs and anecdotes explaining the human aspect of the 36th Panzer Regiment's history This book then is a tribute to Roth and his comrades and to all soldiers who aspire to commendable and honorable action during time of war Key sales points Provides the first history of 36th Panzer Regiment yet published in any language Combines operational details with fascinating personal accounts telling the story of Karl Roth and his comrades Features over 150 b w photos many previously unpublished A major contribution to the history of the Panzertruppen Special Bibliography ,1978 Battle for Budapest Krisztián Ungváry,2011-08-30 This title is presented with a new foreword by Istvan Deak The battle of Budapest in the bleak winter of 1944-45 was one of the longest and bloodiest city sieges of World War II From the appearance of the first Soviet tanks on the outskirts of the capital to the capture of Buda Castle 102 days elapsed In terms of human trauma it comes second only to Stalingrad comparisons to which were even being made by soldiers both German and Soviet fighting at the time This definitive history covers their experiences and those of the 800 000 non combatants around whom the battle raged The Korsun Pocket Niklas Zetterling,Anders Frankson,2020-01-10 Compelling prose abundant tactical detail lots of maps If you're hungering for a good WWII East Front battle book look no further Russ Lockwood Magweb com In January 1944 around the village of Korsun near the larger town of Cherkassy on the Dneiper a disaster happened Six divisions of Germany's Army Group South became surrounded after sudden attacks by the 1st and 2nd Ukrainian Fronts The Germans greatest fear was the prospect of another Stalingrad the catastrophe that had occurred precisely one year before Due to both weather and ferocious resistance the German drive to rescue their trapped divisions stalled It soon became apparent that only one option remained for the beleaguered defenders breakout Without consulting Hitler on the night of February 16 Erich von Manstein ordered the breakout to begin Led by the strongest formation within the pocket SS Wiking the trapped forces surged out and soon rejoined the surrounding panzer divisions who had been fully engaged in weakening the ring Stalin was left with little but an empty bag as Army Group South this time had pulled off a rescue In The Korsun Pocket Niklas Zetterling a researcher at the Swedish Defense College since 1995 and Anders Frankson have provided a highly detailed and often breathtaking account of one of the most dramatic battles of World War II From grand strategy to soldiers voices on the ground including expert statistical analysis the action and the stakes of the battle at Korsun are made vividly clear Thoroughly researched and well written Globe at War Military history at its very best very readable and fascinating War Books Out Now **Hitler's Germanic Legions** Philip H.
