

What was the Easter Rising?

Rebellion to overthrow British rule in Ireland in 1916 and set up an Irish republic

Britain caught unaware as its forces were focused on WW1

Rebels surrender on 29 April after onslaught by British forces in Dublin

Public opinion turns to support Rising after leaders executed

Over 450 people killed and 2,500 wounded

Die Österreichischungarische Sudtiroloffensive 1916

Lawrence Sondhaus

Die Österreichischungarische Südtiroloffensive 1916:

Die österreichisch-ungarische Südtiroloffensive 1916 Gerhard Artl, 1983 Bogen beskriver den strig ungarske offensiv mod Italien i 1916 *The Austro-Hungarian Army and the First World War* Graydon A. Tunstall, 2021-09-30 This is a definitive account of the Austro Hungarian Royal and Imperial Army during the First World War Graydon A Tunstall shows how Austria Hungary entered the war woefully unprepared for the ordeal it would endure When the war commenced the Habsburg Army proved grossly under strength relative to trained officers and manpower possessing obsolete weapons and equipment and with the vast majority of its troops proved inadequately trained for modern warfare Well over one million Habsburg troops mobilized creating an enormous logistical challenge of forging an army from the diverse cultures languages economic and educational backgrounds of the Empire s peoples Graydon A Tunstall shows how the army suffered from poor strategic direction and outdated tactics and facing a two front offensive against both Russia and Serbia He charts the army s performance on the battlefields of Galicia Serbia Romania the Middle East and Italy through to its ultimate collapse in 1918

Franz Conrad von Hötzendorf Lawrence Sondhaus, 2021-10-25 Did you ever wonder how and why Franz Conrad von Hötzendorf 1852 1925 earned his reputation for brilliance while failing so miserably during the First World War In examining Conrad s life and career including his years as a military writer teacher of tactics and a peacetime troop commander before 1906 this first modern biography offers a fascinating and impressive explanation of his thoughts and actions Franz Conrad von Hötzendorf 1852 1925 served as Austro Hungarian chief of the general staff between 1906 and 1917 and was a leading figure in the origins and conduct of the First World War In no other country did a single general serve as the leading prewar tactician prewar and wartime strategist and wartime army commander Because Conrad filled all of these roles in Austria Hungary he had no equal among the military men leading the old order of Europe to destruction in 1914 1918 **Isonzo** John R. Schindler, 2001-04-30 This is the first account in English of a much overlooked but important First World War battlefield located in the mountains astride the border between Italy and the Austro Hungarian Empire Not well known in the West the battles of Isonzo were nevertheless ferocious and compiled a record of bloodletting that totaled over 1 75 million for both sides In sharp contrast to claims that neither the Italian nor the Austrian armies were viable fighting forces Schindler aims to bring the terrible sacrifices endured by both armies back to their rightful place in the history of 20th century Europe The Habsburg Empire he contends lost the war for military and economic reasons rather than for political or ethnic ones Schindler s account includes references to remarkable personalities such as Mussolini Tito Hemingway Rommel and the great maestro Toscanini This Alpine war had profound historical consequences that included the creation of the Yugoslav state the problem of a rump Austrian state looking to Germany for leadership and the traumatic effects on a generation of young Italian men who swelled the ranks of the fascists After nearly a century Isonzo can assume its proper place in the ranks of the tragic Great War clashes alongside Verdun the Somme and Passchendaele *Researching World*

War I Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter's opening chapter covers the controversial issue of the war's origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver's final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature

1914 Austria Hungary The Origins (Contemporary Austrian Studies, Vol 23) Günter Bischof, Ferdinand Karlhofer, Samuel R. Williamson, 2014-06-17 For the past 100 years some of the greatest historians and political scientists of the twentieth century have picked apart analyzed and reinterpreted this sequence of events taking place within a single month in July early August 1914 The four years of fighting during World War I destroyed the international system put into place at the Congress of Vienna in 1814 15 and led to the dissolution of some of the great old empires of Europe Austrian Hungarian Ottoman Russian The 100th anniversary of the assassination of the Austrian successor to the throne Archduke Francis Ferdinand and his wife Sophie in Sarajevo unleashed the series of events that unleashed World War I The assassination in Sarajevo the spark that set asunder the European powder keg has been the focus of a veritable blizzard of commemorations scholarly conferences and a new avalanche of publications dealing with this signal historical event that changed the world Contemporary Austrian Studies would not miss the opportunity to make its contribution to these scholarly discourses by focusing on reassessing the Dual Monarchy's crucial role in the outbreak and the first year of the war the military experience in the trenches and the chaos on the homefront

Österreichische Osthefte, 1985 **Neue Forschungen zum Ersten Weltkrieg** Jürgen Rohwer, 1985 *Mitteilungen des Österreichischen Staatsarchivs* Österreichisches Staatsarchiv, 1990 *The Last Years of Austria-Hungary* Mark Cornwall, 1990 The emergence of central Europe and the Balkans as a major area of interest and international concern in post Cold War Europe have given the fall of the Habsburg Empire and the consequences of that fall considerable contemporary resonance The Empire was an experiment in multi national politics and how different ethnic and religious groups live or do not live together is very much what this book is about The eight essays in this volume seek to unravel the complexities of the final twenty years of Austria

Hungary and its eventual disintegration tackling from different angles the political social and international challenges to the Empire's existence The book successfully fills a gap in the market between expensive textbooks and very specialist articles and monographs and as such will appeal both to students and to the general reader interested in the Habsburgs and the Great War From reviews of the first edition The essays provide new insights into the question of Habsburg endurance while offering perceptive suggestions about its ultimate collapse The book represents a valuable attempt to publish new research and new perspectives on familiar questions Carefully edited and with an excellent set of maps and a solid bibliography the book offers students and specialists alike fresh thoughts about the Habsburg Monarchy the Soviet Union and Yugoslavia

Samuel R Williamson *The International History Review* *Österreich im 20. Jahrhundert: Von der Monarchie bis zum Zweiten Weltkrieg* Rolf Steininger, Michael Gehler, 1997 *Österreich im 20. Jahrhundert* Rolf Steininger, Michael Gehler, 1997 *A Hopeless Struggle* John Richard Schindler, 1995 *Marine in Feldgrau 1915 - 1918* Peter Jung, 1999

Geschichte der österreichischen Militärgeschichte Peter Broucek, Kurt Peball, 2000 **Heimatfronten: Kriegsdeutung**, 2006 **Schriften** Bibliothek für Zeitgeschichte (Germany), 1985 **War and Society Newsletter**, 1977 *Anzeiger des österreichischen Buchhandels*, 1983 Österreich-Ungarns Kraftfahrformationen im Weltkrieg 1914-1918 Wilfried Schimon, 2007

This book delves into Die Österreichischungarische Sudtiroloffensive 1916. Die Österreichischungarische Sudtiroloffensive 1916 is an essential topic that must be grasped by everyone, from students and scholars to the general public.
