Nazis at the Watercooler Terrence Petty, 2024-11 After World War II when a new German democracy was born in the western region of the vanquished Third Reich tens of thousands of civil servants were hired to work for newly formed government agencies to get the new republic quickly on its feet But there was an enormous flaw in the plan no serious vetting system was put in place to keep war criminals out of government positions Ex Nazis people who had been involved in mass murder drafting antisemitic laws and the persecution of Hitler's opponents as well as other depravities resumed their careers without consequence in the newly created Federal Republic of Germany Former Nazis who had established an early foothold in postwar government agencies helped each other get government work by writing letters of recommendation called Persilscheine These Persil Certificates named after a popular detergent made an ex Nazi's recorded past just as clean as fresh laundry and a whole generation of German government officials with Nazi pasts was never brought to account Ex Nazis were given preference for government jobs even over victims of Nazi policies and anti Hitler resisters They swapped Nazi uniforms for suits Hitler salutes for handshakes And with help from the highest levels of West German government and even the CIA they swept their crimes under the carpet and resurrected their careers Nazis at the Watercooler illuminates the network of ex Third Reich loyalists and the U S government's complicity that enabled this mass impunity , *Die*

Einmaligkeit Der Geschichte Johannes Thyssen, 1924 **Karl Barth** Christiane Tietz, 2021-03-25 From the beginning of his career Swiss theologian Karl Barth 1886-1969 was often in conflict with the spirit of his times While during the First World War German poets and philosophers became intoxicated by the experience of community and transcendence Barth fought against all attempts to locate the divine in culture or individual sentiment This freed him for a deep worldly engagement he was known as the red pastor was the primary author of the founding document of the Confessing Church the Barmen Theological Declaration and after 1945 protested the rearmament of the Federal Republic of Germany Christiane Tietz compellingly explores the interactions between Barth's personal and political biography and his theology Numerous newly available documents offer insight into the lesser known sides of Barth such as his long term three way relationship with his wife Nelly and his colleague Charlotte von Kirschbaum This is an evocative portrait of a theologian who described himself as God's cheerful partisan who was honored as a prophet and a genial spirit was feared as a critic and shaped the theology of an entire century as no other thinker *DAS GELDWESEN DER VEREINIGTEN STAATEN VON AMERIKA IM 19.*
