Die Gefangenen Leben Und Überleben Deutscher Soldaten Hinter Stacheldraht:

Die Gefangenen Paul Carell, Günter Böddeker, 1996 Relationships/Beziehungsgeschichten. Austria and the United States in the Twentieth Century Günter Bischof, 2014-04-28 After the breakup of the Habsburg Monarchy the Austrian American relationship was characterized by a dwarf confronting a giant America continued to be a heaven for a better life for many Austrian emigrants For the growing American preponderant position in the world after World War I the small Austrian Republic was insignificant And yet there were times when Austria mattered geopolitically During the post World War II occupation of Austria the U S helped reconstruct Austria economically and was the biggest champion of its independence During the Cold War the U S frequently used Austria as a mediator site of summit meetings American mass production models consumerism and popular culture were adopted by Austrian youth Americanization and American preponderance also produced anti Americanism With the end of the Cold War and Austria's accession to the European Union it once again lost significance for Washington's geopolitics **Hitler's Final Fortress** Richard Hargreaves, 2012-09-20 A dramatic account of how the Nazis were driven out of Breslau drawing on the words of those who witnessed it In January 1945 the Red Army unleashed its long awaited thrust into Germany with terrible fury One by one the provinces and great cities of the German East were captured by the Soviet troops Breslau capital of Silesia a city of 600 000 people stood firm and was declared a fortress by Hitler A bitter struggle raged as the Red Army encircled Breslau then tried to pummel it into submission while the city's Nazi leadership used brutal methods to keep the scratch German troops fighting and maintain order Aided by supplies flown in nightly and their building improvised weapons from torpedoes mounted on trolleys to an armored train the men of Fortress Breslau held out against superior Soviet forces for three months The price was fearful By the time Breslau surrendered on May 6 1945 four days after Berlin had fallen tens of thousands of soldiers and civilians were dead the city a wasteland Breslau was pillaged its women raped and every German inhabitant driven out of the city which became Wrocław in postwar Poland Based on official documents newspapers letters diaries and personal testimonies this is the bitter story of Hitler's final fortress **Hitler's war in the East, 1941-1945** Rolf-Dieter Müller, 2009 Hitler Youth Michael H. Kater, 2009-06-30 In modern times the recruitment of children into a political organization and ideology reached its boldest embodiment in the Hitler Youth founded in 1933 soon after the Nazi Party assumed power in Germany Determining that by age ten children's minds could be turned from play to politics the regime inducted nearly all German juveniles between the ages of ten and eighteen into its state run organization The result was a potent tool for bending young minds and hearts to the will of Adolf Hitler Baldur von Schirach headed a strict chain of command whose goal was to shift the adolescents sense of obedience from home and school to the racially defined Volk and the Third Reich Luring boys and girls into Hitler Youth ranks by offering them status uniforms and weekend hikes the Nazis turned campgrounds into premilitary training sites air guns into machine guns sing alongs into marching drills instruction into indoctrination and children into Nazis A few resisted

for personal or political reasons but the overwhelming majority enlisted Drawing on original reports letters diaries and memoirs Michael H Kater traces the history of the Hitler Youth examining the means degree and impact of conversion and the subsequent fate of young recruits Millions of Hitler Youth joined the armed forces thousands gleefully participated in the subjugation of foreign peoples and the obliteration of racial aliens Although young they committed crimes against humanity for which they cannot escape judgment Their story stands as a harsh reminder of the moral bankruptcy of regimes that make children complicit in crimes of the state *Battle for the Ruhr* Derek S. Zumbro, 2006 A richly detailed epic narrative that gives the perspective of the German officers soldiers and civilians trapped in one of the bloodiest battles toward the end of World War II ultimately leading to the massacre of 350 000 German troops Shows what it looked felt and sounded like for the German troops encircled by the Allied juggernaut in the west as they dealt with Hitler's increasingly surreal commands to stand and fight to the last man **War Stories** Robert G. Moeller, 2001 Moeller's analysis draws on a wide range of U S and German government documents political debates film archives letters oral histories and newspaper accounts Elegantly written with more than forty evocative photographs War Stories is a major contribution to our understanding of the abiding influence of memories of the Second World War in contemporary Europe **BOOK JACKET** Naval Officers Under Hitler Eric C Rust, 2017-11-15 This book is a collective biography of the 318 men who joined the German Navy in 1934 to become officers It traces their lives from their upbringing in the Weimar Republic through their post war careers Unique in its subject matter and methodology in both German and international military historiography Naval Officers under Hitler is a professional political and psychological group portrait based on personal interviews and correspondence as well as archival research It stresses the drama of recent German history that these officers experienced closely as observers participants victims and sometimes beneficiaries The author argues that the vast majority of junior naval officers under Hitler while well trained and prepared to defend their fatherland as good patriots felt no profound or lasting attachment to Nazi ideology Instead their ideological preferences remained with patriotic conservative groups such as the German National People's Party and its successor organizations after World War II Otherwise love of the sea and of the naval profession lay at the center of their overall worldview and priorities **Die Gefangenen** Paul Carell, Günter Böldicker, 1986 **Prisoners of the Reich** David Rolf, 1988 **Prisoners-of-War and Their Captors in World War II** Bob Moore, Kent Fedorowich, 1996-11 Examines the experiences of individual prisoners of war looking in particular at alleged war crimes and ensuing claims for compensation levelled against the Japanese and at British treatment of Italian POWs The book provides an overview and synthesis of the most heated debates in the field **Austrian Lives** Günter Bischof, Fritz Plasser, Eva Maltzchnig, 2012 We also suggest that the intellectual biographies of thinkers and professionals are fertile soil for biographical study Moreover the prosopographical study of common folks in the Austrian population lifts these lives from the dark matter of anonymous masses and gives rich insight into the lives that ordinary Austrians have been leading We present

an array of political lives including that of Ignaz Seipel and Therese Schlesinger Eckstein as well as *Lives of the Mind* which capture the lives of fascinating intellectual figures in pre and post World War II Vienna such as Viktor Frankl and Eugenie Schwarzwald The approaches to writing biography taken in this volume also suggest that much work needs to be done to shed light on the lives of ordinary Austrians In this volume we have biographical accounts detailing the lives of soldiers prisoners of war and farming families

Murder and Martial Justice Meredith Lentz Adams, 2011 This book deals with four murder cases during World War II for which fifteen German war prisoners held in camps on American soil were sentenced to death and fourteen hanged It emphasizes one case that best illustrates how the War Department interpreted observed and violated the Geneva Convention of 1929 It also deals with the War Department's consequent diplomatic and public relations problems and with its attempts to control the prison camps

Introduction **Seven Years Among Prisoners of War** Chris Christiansen, 1994 One of these was Chris Christiansen who had just graduated from Theological School at Copenhagen University when he took a position with the World's Alliance of the YMCAs to work with British American and other Allied prisoners of war in Germany The next seven years were for him an amazing experience The prisoners faced cold starvation loneliness deprivation and cruel and arbitrary treatment Those who served among them unrecognized in the headlines or history text worked tirelessly and patiently to relieve the conditions of the prisoners as much as possible Christiansen who was also arrested in Berlin and imprisoned in Moscow experienced this grim aspect of warfare from both sides

Leben im Schatten des Todes Alfred Retzlaff, 1996 **Die Kapitulation von 1945 und der Neubeginn in Deutschland** Winfried Becker, 1987 **Bulletin**, 1981 **Die Truppe des Weltanschauungskrieges** Helmut Krausnick, Hans-Heinrich Wilhelm, 1981 Part 1 Krausnick Helmut Die Einsatzgruppen vom Anschluss Österreichs bis zum Feldzug gegen die Sowjetunion Entwicklung und Verhältnisse zur Wehrmacht Part 2 Wilhelm Hans Heinrich Die Einsatzgruppe A der Sicherheitspolizei und des SD 1941-42 Eine Exemplarische Studie **In amerikanischer Kriegsgefangenschaft** Wolfgang Schlauch, 2003 **Deutschkanadisches Jahrbuch**, 1986
