Die Hard With A Vengeance Widescreen Edition:

The Depiction of Terrorists in Blockbuster Hollywood Films, 1980-2001 Helena Vanhala, 2014-01-10 This book examines how American foreign policy and the commercial film industry's economic interests influenced the portrayal of international terrorism in Hollywood blockbuster films from the time of the Iran hostage crisis to the 9/11 terrorist attacks. Part I provides a historical overview of modern international terrorism and how it relates to the United States, its news media, and its film industry. Part II covers depictions of terrorism during the Cold War under President Reagan, including films like *Commando* and *Iron Eagle*. Part III covers the Hollywood terrorist after the Cold War, including European terrorists in the *Die Hard* franchise, *Passenger 57*, *Patriot Games*, *Blown Away*, *The Jackal*, and *Ronin*; fundamentalist Islamic terrorists in *True Lies* and *Executive Decision*; the return of the communist threat in *Air Force One*; and 9/11 foreshadowing in *The Siege*. The Distorters of History: Unexpected Changes in the Media and the Motion Picture Industry with Movies Forever Expanded-Updated Edition Robert D. Ronson, 2013-06-20 If some authorities say the political history is Ronson's interpretation, then ask them why the facts are found in the *World Almanac*. Controversial issues in politics and greed dominate our society with power struggles for change. My book tries to show how past mistakes lead up to how our system is working now, but also discusses what I think are enjoyable films that adequately entertain the average person looking for temporary escapism. Most critics or journalists analyze, evaluate, and review films in terms of production values or political reasons. I simply buy a ticket and walk in as a member of the audience. After the movie, asking myself questions: how well I liked it, is what I pass on to the viewer. **Video Magazine**, 1997 [Film Review](#), 1997 **Billboard**
