Roberts, 2005-07-14 This classic volume includes developments in crisis intervention practices and services a field that was permanently altered on September 11th 2001 With 15 new chapters and a new section on disaster mental health and frontline crisis intervention strategies this book gives professionals access to specific guidelines practice techniques protective factors 60 case study applications and evidence based crisis intervention strategies that maximize opportunities for rapid assessment and crisis resolution This highly practical timely and reader friendly handbook addresses the full range of acute substance abuse battering sexually transmitted diseases bio terrorism and terrorist bombings This new edition remains essential reading for crisis workers crisis counselors behavioral health clinicians emergency service workers disaster mental health specialists and social workers **Crisis Intervention Handbook** Albert R. Roberts, 2000 Crisis intervention has become the most widely used brief treatment modality in the world As a result of millions of acute crisis events occurring each year and impacting the lives of the general public interest in crisis intervention response teams and crisis management has grown tremendously in the past decade However there exists a limited amount of literature designed to give timely and comprehensive help for crisis workers This book fills that gap It is the first interdisciplinary handbook to prepare the crisis counselor for rapid assessment and timely crisis intervention in the 21st century In this classic volume Dr Roberts and 34 clinical experts and distinguished chapter authors have set the standard of care and treatment for persons in trauma and acute crises This handbook gives all professionals ready access to the specific guidelines practice techniques protective factors and resilience case study applications and crisis intervention strategies that are most appropriate for maximizing opportunities for rapid assessment and crisis resolution Now expanded and fully updated **Crisis Intervention Handbook Assessment Treatment and Research Second Edition** focuses on crisis intervention services for persons who are victims of natural disasters school based and home based violence violent crimes and personal or family crises Consisting of five parts it covers a broad array of subjects including psychiatric emergencies medical crises community wide disasters and high school shootings Part I provides an overview Part II addresses crisis assessment and intervention models for children and youths Part III explores crisis intervention and prevention for victims of violence Part IV describes crisis assessment and intervention in health and mental health related crises and Part V focuses on research and outcome studies on the

effectiveness of crisis intervention programs throughout the world In the current managed care era of accountability and utilization of best practices every practitioner will find this handbook indispensable and essential reading It applies a unifying model of crisis intervention making it appropriate for front line crisis workers clinical psychologists social workers psychiatric mental health nurses counselors and graduate students who need to know the latest steps and methods for intervening effectively with persons experiencing a full blown crisis episode

Crisis Intervention Handbook Albert R. Roberts, 2025 Expanded and fully updated the Crisis Intervention Handbook focuses on crisis intervention services for persons who are victims of natural disasters school based and home based violence violent crimes and personal or family crises It applies a unifying model of crisis intervention making it appropriate for front line crisis workers clinical psychologists social workers psychiatric mental health nurses and graduate students who need to know the latest steps and methods for intervening effectively with persons in acute crisis

Crisis Intervention Handbook Kenneth R. Yeager, Albert R. Roberts, 2025 The Crisis Intervention Handbook Assessment Treatment and Research examines the complex process of supporting those experiencing acute crisis episodes Crisis is ubiquitous and the experience is life changing From accidents violent crime intimate partner abuse sudden loss of a loved one are some areas of application of Roberts seven stage crisis intervention model When addressed effectively the experience of crisis can transform the life of the individual Trauma is closely associated with Crisis thus this text explores a Trauma Informed Care TIC approach to supporting those in a crisis state Roberts seven stage crisis intervention model is detailed providing a comprehensive roadmap for addressing the crisis experience Within the text you will find evidence based approaches woven into the stages of crisis intervention Cognitive Behavioral Therapy CBT and Strengths Perspective Crisis Intervention Teams CIT for first responders responding to individuals within the community experiencing acute states of crisis and those experiencing mental health crisis The Assessment Crisis Intervention and Trauma Treatment Services Model is detailed as a response to community based crisis Additionally detailed approaches to addressing crisis experienced by first responders The Stress Trauma and Resilience STAR program outlines how to implement Brief Emotional Support Teams BEST to support medical professionals who experience the ongoing stress of providing emergency care end of life care and trauma care and those with severe and persistent mental illness The book concludes with examination of crisis intervention best practices designs and procedures of evaluating crisis intervention as well as future research in crisis intervention Provided by publisher

Crisis Intervention and Time-Limited Cognitive Treatment Albert R. Roberts, 1995-09-07 In these turbulent times thorough grounding in crisis intervention and cognitive approaches are important components of every practitioner's repertoire The chapters in this volume provide highly informative up to date and practical resources for the application of these interrelated approaches to many major crisis situations in which we must prepare ourselves and our students to intervene This is an excellent resource for my graduate students and community training interns John Kalafat Ph D Professor of Psychology Spalding University and

Co Chair School Committee American Association of Suicidology In a world of increasing global awareness of violence and disaster coupled with decreasing budgets and an emphasis on briefer interventions practitioners need to expand and modify intervention strategies The contributors to this volume present a wide range of techniques within Albert R Roberts's crisis intervention model For those in the trauma field this book is a wealth of information and referral sources Mary Beth Williams Ph D LCSW Trauma Recover Education Counseling Center Warrenton Virginia Albert R Roberts has provided a much needed text that belongs on every criminal justice professional's bookshelf Crisis Intervention and Time Limited Cognitive Treatment covers the emerging trends within the field in an outstanding manner Harvey Wallace J D Director Victims Institute and Professor Department of Criminal Justice California State University Fresno Albert R Roberts's edited book is the most comprehensive book I have seen on the application of cognitive therapy to the practice of crisis intervention and time limited treatment Crisis Intervention and Time Limited Cognitive Treatment will be necessary reading by all mental health and social service administrators and practitioners who are often struggling to respond to the changing realities brought about by managed care This is the first book to provide a national perspective on 24 hour crisis hotlines cognitive therapy and crisis intervention units of community mental health centers it includes detailed information on crisis intervention and 24 hour crisis hotlines in every state in the nation This exceptionally well written book also includes valuable guidelines practice wisdom and cognitive therapy techniques for intervening with domestic stalking victims battered women rape victims persons with sexual disorders persons with AIDS disaster victims and families of homicide victims This groundbreaking provocative volume does an excellent job of integrating theory and foundation skills with the latest brief cognitive therapy technology in dealing with a wide range of client problems that practitioners deal with on a regular basis I predict that this timely book will become a classic for all of us who strive to resolve acute psychological as well as situational crises Gilbert J Greene Associate Professor of Social Work The Ohio State University Albert R Roberts's new volume significantly extends his earlier groundbreaking work in the field of crisis intervention by showing how cognitive approaches can help clients cope with a wide variety of crises Using detailed case histories Roberts and his contributors have shown how short term treatment can play a major role in helping people regain their equilibrium when faced with high risk situations Bernard Bloom Professor Emeritus of Psychology University of Colorado at Boulder With the publication of this book Dr Roberts has met a critical need At a time when a wide range of criminal justice and other professionals are called upon to respond to individuals and communities in crisis situations Dr Roberts has developed an outstanding resource and most inclusive book on crisis intervention The thorough presentation of both established and cutting edge strategies crisis treatment trauma therapy and survivors services will make this book the essential tool for criminologists criminal justice professors victimologists forensic psychologists as well as service providers This volume is packed with vivid case examples and practical step by step applications and up to date information about how to help persons in crisis including suicide attempters disaster victims

hostages stalking victims rape victims and parents of murdered children The book also includes a 90 page directory of suicide prevention agencies rape crisis programs battered women s shelters addiction treatment programs and victim assistance programs Jane Nady Burnley Ph D Executive Director VALOR Victims Assistance Legal Organization Inc and former Director

Social Workers' Desk Reference Albert R. Roberts,2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice

Theoretical Perspectives for Direct Social Work Practice Nick Coady,Peter Lehmann,2007-10-22 Praise for the first edition Finally a social work practice text that makes a difference This is the book that you have wished for but could never find Although similar to texts that cover a range of practice theories and approaches to clinical practice this book clearly has a social work frame of reference and a social work identity Gayla Rogers Dean of the Faculty of Social Work University of Calgary The major focus of this second edition is the same to provide an overview of theories models and therapies for direct social work practice including systems theory attachment theory cognitive behavioral theory narrative therapy solution focused therapy the crisis intervention model and many more However this popular textbook goes beyond a mere survey of such theories It also provides a framework for integrating the use of each theory with central social work principles and values as well as with the artistic elements of practice This second edition has been fully updated and revised to include A new chapter on Relational Theory and newly rewritten chapters by new authors on Cognitive Behavioral Theory Existential Theory and Wraparound Services New critique of the Empirically Supported Treatment EST movement Updated information on the movement toward eclecticism in counseling and psychotherapy A refined conceptualization of the editors generalist eclectic approach

Crisis Intervention Handbook Albert R. Roberts,2005 This classic volume includes developments in crisis intervention practices and services a field that was permanently altered on September 11th 2001 With 15 new chapters and a new section on disaster mental health and frontline crisis intervention strategies this book gives professionals access to specific guidelines practice techniques protective factors 60 case study applications and evidence based crisis intervention strategies that maximize opportunities for rapid assessment and crisis resolution This highly practical timely and reader friendly handbook addresses the full range of acute substance abuse battering sexually transmitted diseases bio terrorism and terrorist bombings This new edition remains essential reading for crisis workers crisis counselors behavioral health clinicians emergency service workers disaster mental health specialists and social workers

An Introduction to Applying Social Work Theories and Methods Barbra Teater,2014-03-01 A student friendly introduction to social work theories and methods drawing on current social work research

An Introduction to Applying Social Work Theories and Methods 3e Barbra Teater,2019-12-02 The text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory

chapter covers the similarities and differences between a theory and a method as well as psychosocial theories and concepts Each subsequent chapter then explores in detail how to implement theories and methods their strengths and limitations alongside case examples critical thinking questions and suggested further resources Key features Illustrative case studies Exercises Case examples Critical thinking questions Further readings resources Revised content including the addition of genograms and ecomaps This is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements The book is an updated third edition to a successful and established series The clarity with which Teater describes complex concepts for social workers is refreshing This book will help promote understanding and best practice whilst being firmly grounded in key theories It is a must have for all social workers wherever they practise Dr Jonathan Parker Professor of Society Social Welfare Bournemouth University UK This latest edition of Theories and Methods is as solid as its predecessors academically with a clear and easy to follow structure that makes it accessible in a way many such books are not I have used previous editions in many situations settings and levels and endorse this latest as a must have for anyone involved with social work Explanation is clear and the use of tables diagrams and cases bring the theory alive and enable users to realistically transfer theory to practice The use of exercise and questions provide a springboard to deeper learning as do the handy references and pointers to further reading at the end of each chapter Inclusion of sections such as the cultural and ethical considerations lend themselves to self analysis exploration and ultimately self development A dream of a book to work with as an academic tutor practice educator and trainer as well as student Michele Winter Independent Social Worker Teacher Trainer Social Care Training I can wholeheartedly recommend this revised and updated edition of Barbra Teater s highly successful book It remains essential reading for practitioners undergraduate and postgraduate students of social work The book provides a compelling and easily accessible analysis of key theories and methods It challenges both students and practitioners to consider and reconsider how they can apply theories and methods to practice more effectively Prof Hugh McLaughlin Manchester Metropolitan University UK What a great book Barbra Teater and colleagues have managed to bring together a wealth of learning about different theories and methods of social work intervention in a clearly written and accessible format Each chapter is focused on the application of theory to practice and as such helps to act as a bridge from the classroom to direct work with individuals families and groups This new and updated edition is very likely to be one of those books that students have by their side throughout their studies and bring with them into professional practice after graduation Dr John Devaney Centenary Professor of Social Work University of Edinburgh UK

SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.) David W. Springer, Albert R. Roberts, 2017-05-16 Social Work in Juvenile and Criminal Justice Systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding

that we cannot study criminal justice in a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession's obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system

EBOOK: An Introduction to Applying Social Work Theories and Methods, 4/e Barbra Teater, 2024-08-14 This book is a reassuring thorough and essential guide to the world of social work theories and methods This 4th Edition deserves to find a place on every social work reading list and bookshelf Professor Richard Ingram University of Dundee Scotland UK Based on the belief that all social workers have a responsibility both ethically and professionally to draw upon theories that are grounded in social work values the fourth edition of this book offers readers the opportunity to consider anew those theories Sarah Vicary Professor of Social Work and Mental Health School of Health Wellbeing and Social Care The Open University UK An essential read for anyone in the field of social work This book is a testament to the profound impact that well grounded theoretical knowledge can have on real world social work Highly recommended for its clarity depth and relevance Paul McCafferty Senior Lecturer in Social Work Queen's University Belfast NI This text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as an overview of psychosocial theories and concepts Each subsequent chapter explores in detail how to implement a specific theory or method their strengths and limitations key research ethical and cultural considerations and the integration of the theory or method with anti oppressive practice Each chapter includes case examples critical thinking questions and suggested further resources Key features of this new edition include Illustrative case studies Exercises and case examples Critical thinking questions Further readings resources Revised content including a chapter on relationship based social work An Introduction to Applying Social Work Theories and Methods is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements Barbra Teater is

Professor of Social Work at the College of Staten Island and is Executive Officer of the PhD Program in Social Welfare at The Graduate Center City University of New York USA
