From their first encounter in France in 1876 Fanny and Louis's partnership transcended societal expectations to become a literary union that was progressive, eccentric and tempestuous but always animated by a profound mutual respect. Seeking creative freedom, inspiration and better health for Louis who battled chronic illness, they embarked on a whirlwind journey around the world from the bohemian enclaves of Europe to the shores of Samoa where they lived and joined the native islanders' fight for independence from imperialist powers. Amid the currents of their stormy yet deeply loving relationship, Fanny wrote colorful accounts of her life, contributed to Louis's work and kept him alive to pen classic novels such as *Treasure Island*, *Kidnapped* and *The Strange Case of Dr Jekyll and Mr Hyde* that would go on to resonate with generations of readers. A portrait of two extraordinary people and a testament to the power of love to foster the human spirit, *A Wilder Shore* unfolds with all the richness and complexity of a timeless epic, capturing the resilience, courage and devotion that sparked some of our most celebrated and enduring literary masterpieces.
