**Robert Penn Warren, Critic** Charlotte H. Beck,2006 Using a largely chronological approach Charlotte Beck has carefully traced the evolution of Warren s criticism focusing on seminal examples of the critical books essays and

introductions that Warren produced over a period of almost seventy years Her conclusions often run counter to previous evaluations of Warren s criticism especially to those that complacently link Warren to Cleanth Brooks his lifelong friend and collaborator and to New Criticism in general Beck demonstrates that Warren consistently treats writers holistically taking into account biographical as well as historical data to account for their entire body of work rather than focusing on a single literary text Jacket     **Robert Penn Warren** ,2020 A collection of critical essays on the works of American poet and novelist Robert Penn Warren arranged in chronological order of publication This is an electronic version of the original edition of this Bloom s Modern Critical     **Faulkner.
