Critical Thinking A Students Introduction 2nd Edition:

Critical Thinking: A Student's Introduction Gregory Bassham, James M. Wallace, William Irwin, Henry Nardone, 2012-09-05

Bassham's popular text helps today's students bridge the gap between everyday culture and critical thinking. Using a proven step-by-step approach, this text covers all the basics of critical thinking in clear, reader-friendly language. The 5th edition has taken into account suggestions from users and reviewers of previous editions and has added an Appendix and new readings, exercises, and examples throughout the text. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw Hill Connect is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook, an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content; Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course; Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase for a small fee a print version of the book. This binder-ready, loose-leaf version includes free shipping. Complete system requirements to use Connect can be found here: <http://www.mheducation.com/highered/platforms/connect/training/support/students.html>

Critical Thinking Gregory Bassham, 2023

The first edition of *Critical Thinking: A Student's Introduction* grew out of our conviction that a critical thinking text that works—that produces real, measurable improvement in students' critical reasoning skills—must have two essential features. It must be a text that today's gadget-loving students actually read. It must provide abundant, class-tested exercises that give students the practice they need to develop as maturing critical thinkers. In revising *Critical Thinking: A Student's Introduction* for this edition, we've tried to remain faithful to this original vision. Many passages have been rewritten to make the book clearer, and we hope more engaging and accessible. In addition, many new readings have been added to keep the text timely and fresh.

ENGLISH ACROSS DISCIPLINES: Proceedings of the Applied Linguistics and Language Teaching Conference 2022 Contributors: , 2024-02-09

This volume contains a selection of articles that were originally presented at the Applied Linguistics and Language Teaching International Conference and Exhibition ALLT 2022 held at Zayed University, Dubai, United Arab Emirates, in March 2022. The articles in this volume represent the diverse backgrounds, experiences, and research interests of the ALLT presenters. They cover a range of theoretical, empirical, and pedagogical practices with a strong emphasis on language teaching. While most of the papers focus on English language, the findings and lessons are applicable to the teaching of any language. This makes the volume an invaluable resource addressing important aspects of contemporary research topics and the pedagogy of language teaching.
