Stoddard, F. Sanborn, E. Gosse, 2013-12 THE essays and sketches of which this volume is composed are taken as the name implies from The Critic In the conviction that some if not all of them are despite their brevity of permanent literary value it has been deemed well to reproduce them in a form more durable than that of a fortnightly review This step is rendered doubly advisable by the fact that The Critic is already out of print CONTENTS I Thoreau s Wildness John Burroughs II William Blake Poet and Painter Edmund C Stedman II Death of Carlyle Walt Whitman III Death or Longfellow Walt Whitman V George Eliot and the Novel Edward Eggleston VI Frances Hodgson Burnett R H Stoddard VII Thoreau s Unpublished Poetry F B Sanborn VIII Emerson and the Superlative John Burroughs IX A Company of Spring Poets Edith M Thomas X Nature in Literature John Burroughs XI Austin Dobson E W Gosse XII Alphonse Daudet P M Potter XIII The Boston Culture J H Morse XIV The Late Sidney Lanier E C Stedman XV English Society and Endymion Julia Ward Howe XVI Historical Criticism of Christ H W Bellows XVII Whitman s Leaves of Grass *Leaves of Grass* Walt Whitman, Sculley Bradley, 1973 **Song of Myself** Walt Whitman, 2016-10-15 This book offers the most comprehensive and detailed reading to date of Song of Myself One of the

most distinguished critics in Whitman Studies Ed Folsom and one of the nation's most prominent writers and literary figures Christopher Merrill carry on a dialog with Whitman and with each other section by section as they invite readers to enter into the conversation about how the poem develops moves improvises and surprises Instead of picking and choosing particular passages to support a reading of the poem Folsom and Merrill take Whitman at his word and interact with every atom of his work The book presents Whitman's final version of the poem arranged in fifty two sections each section is followed by Folsom's detailed critical examination of the passage and then Merrill offers a poet's perspective suggesting broader contexts for thinking about both the passage in question and the entire poem The English Criticism of Walt Whitman, 1856-1926

**America** Walt Whitman,2019-04-23 For the Whitman bicentennial a delightful keepsake edition of the incomparable wisdom of America's greatest poet distilled from his fascinating late in life conversations with Horace Traubel Toward the end of his life Walt Whitman was visited almost daily at his home in Camden New Jersey by the young poet and social reformer Horace Traubel After each visit Traubel meticulously recorded their conversation transcribing with such sensitivity that Whitman's friend John Burroughs remarked that he felt he could almost hear the poet breathing In Walt Whitman Speaks acclaimed author Brenda Wineapple draws from Traubel's extensive interviews an extraordinary gathering of Whitman's observations that conveys the core of his ethos and vision Here is Whitman the sage champion of expansiveness and human freedom Here too is the poet's more personal side his vivid memories of Thoreau Emerson and Lincoln his literary judgments on writers such as Shakespeare Goethe and Tolstoy and his expressions of hope in the democratic promise of the nation he loved The result is a keepsake edition to touch the soul capturing the distilled wisdom of America's greatest poet Walt Whitman

Walt Whitman,Ted Genoways,2009-11 In 1961 the first volume of Edwin Haviland Miller's The Correspondence was published in the newly established series the Collected Writings of Walt Whitman Miller proceeded to publish five additional volumes of Whitman letters and other leading scholars including Roger Asselineau compiled accompanying volumes of prose poems and daybooks Yet by the late 1980s the Whitman Collected Writings project was hopelessly scattered fragmented and incomplete Now more than forty years after the inaugural volume's original publication Ted Genoways brings scholars the latest volume in Walt Whitman The Correspondence Incorporating all of the letters Miller had collected before his death in 2001 and combining them with more than a hundred previously unknown letters he himself gathered Genoways's volume is a

perfect accompaniment to Miller's original work. Among the more than one hundred fifty letters collected in this volume are numerous correspondences concerning Whitman's Civil War years including a letter sending John Hay the personal secretary to Abraham Lincoln a manuscript copy of "O Captain My Captain." Additional letters address various aspects of the production of *Leaves of Grass*, the most notable being an extensive correspondence surrounding the Deathbed Edition gathered by Whitman's friend Horace Traubel and reproduced here for the first time. Most significantly, this volume at last incorporates Whitman's early letters to Abraham Paul Leech first published by Arthur Golden in *American Literature* in 1986. The revelations contained in these letters must be considered among the most important discoveries about Whitman's life made during the last half of the twentieth century. Regardless of whether their significance is great or small, immediate or long term, each new piece of Whitman's correspondence returns us to a particular moment in his life and suggests the limitless directions that remain for Whitman scholarship.
