Critics At Work Interviews 1993 2003:

American Literary Criticism Since the 1930s Vincent B. Leitch,2009-09-10 American Literary Criticism Since the 1930s fully updates Vincent B Leitch s classic book American Literary Criticism from the 30s to the 80s following the development of the American academy right up to the present day Updated throughout and with a brand new chapter this second edition provides a critical history of American literary theory and practice discussing the impact of major schools and movements examines the social and cultural background to literary research considering the role of key theories and practices provides profiles of major figures and influential texts outlining the connections among theorists presents a new chapter on developments since the 1980s including discussions of feminist queer postcolonial and ethnic criticism Comprehensive and engaging this book offers a crucial overview of the development of literary studies in American universities and a springboard to further research for all those interested in the development and study of Literature   The Feminist Spectator in Action Jill S. Dolan,2017-09-16 Based on her award winning blog The Feminist Spectator Jill Dolan presents a lively feminist perspective in reviews and essays on a variety of theatre productions films and television series from The Social Network and Homeland to Split Britches Lost Lounge Demonstrating the importance of critiquing mainstream culture through a feminist lens Dolan also offers invaluable advice on how to develop feminist critical thinking and writing skills This is an essential read for budding critics and any avid spectator of the stage and screen   **Professing Literature** Gerald Graff,2024-05-31 Widely considered the standard history of the profession of literary studies Professing Literature unearths the long forgotten ideas and debates that created the literature department as we know it today In a readable and often amusing narrative Gerald Graff shows that the heated conflicts of our recent culture wars echo and often recycle controversies over how literature should be taught that began more than a century ago Updated with a new preface by the author that addresses many of the provocative arguments raised by its initial publication Professing Literature remains an essential history of literary pedagogy and a critical classic Graff s history is a pathbreaking investigation showing how our institutions shape literary thought and proposing how they might be changed The Norton Anthology of Theory and Criticism

On Anthologies Jeffrey R. Di Leo,2004-01-01 Over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance The essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic life They show that anthologies have consequences and are grounded in commitments Striving to articulate these consequences and commitments is a priority in higher education today Most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication Their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice On Anthologies includes discussion of a wide range of anthologies used and produced

by teachers and scholars Though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life Collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines **The Bloomsbury Encyclopedia of Philosophers in America** John R. Shook,2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history Feminism, Capitalism, and Critique Banu Bargu,Chiara Bottici,2017-07-24 This edited collection examines the relationship between three central terms capitalism feminism and critique while critically celebrating the work and life of a thinker who has done the most to address this nexus Nancy Fraser In honor of her seventieth birthday and in the spirit of her work in the tradition of critical theory this collection brings together scholars from different disciplines and theoretical approaches to address this conjunction and evaluate Fraser s lifelong contributions to theorizing it Scholars from philosophy political science sociology gender studies race theory and economics come together to think through the vicissitudes of capitalism and feminism while also responding to different elements of Nancy Fraser s work which weaves together a strong feminist standpoint with a vibrant and complex critique of capitalism Going beyond conventional disciplinary distinctions and narrow debates all the contributors to this project share a commitment to critically understanding the connection between capitalism exploitation and the viable roads for emancipation They recover insights provided by classical traditions of political and social thought but they also open new research directions adapted to the global challenges of our time Critics at Work Jeffrey Williams,2004-03 A collection of sixteen short science fiction and fantasy stories by award winning authors Firebirds is more than simply an anthology it is a celebration of wonderful writing It gathers together sixteen original stories by some of today s finest writers of fantasy and science fiction Together they have won virtually every major prize from the National Book Award to the World Fantasy Award to the Newbery Medal and have made best seller lists worldwide These authors including Lloyd Alexander The Chronicles of Prydain Diana Wynne Jones The Merlin Conspiracy Garth Nix The Abhorsen Trilogy
