Primary Games Book 1 Carol Kidd, 2013-10 Unlike many other puzzle books this series offers your early learner total independence to play and learn without any assistance from you It is a self-checking puzzle book that gives a child complete freedom to enjoy words he is learning and to check his answers all by himself easily In Book 1 of Primary Games your child will find a book in large print that uses lower-cased lettering In contrast to most other game books this resource uses the same list of spelling words in

each set of puzzle games This means that after he has played all the puzzles he will have a sense of mastery for the words he has been using Here is what you will find in this resource

- 1 Using visually attractive picture images beside each spelling word your child or student will have an illustration of the word he is learning to spell
- 2 The same spelling words are then used in the Word Search Puzzle Each puzzle only incorporates horizontal and vertical letter placement Backward and diagonal lettering are not used to help prevent confusion
- 3 The answers to each word search puzzle can be found on the back of each puzzle page making it easy for your child to receive immediate feedback and any necessary help with his efforts
- 4 Next the Crossword Puzzle incorporates the same spelling words your child has been playing with however instead of clues the words are listed making it fun for him to find the numbers and fill in the across and down categories
- 5 In the final puzzle game of the set your child will get to test himself with a Fill in the Blanks game that uses the same words he has been learning in the other puzzle games
- 6 Because of the large print your child will have plenty of room to practice writing his letters eliminating the frustration of spaces that are too small Through the use of repetition and learning to see the shape of words with lower case lettering your child will experience success and confidence all without any supervision or help from you

And be sure to check out Book 2 of Primary Games for continued fun for you and your child
