The Private Life of Thomas Cromwell Caroline Angus, 2022-09-21 A new biography revealing the personal story of the powerful doomed minister to Henry VIII Thomas Cromwell was King Henry VIII s most faithful servant the only man the king ever openly regretted executing But Cromwell came to royal prominence late in life and had forty five years of family friends and experiences behind him before catching Henry s eye Born a commoner at a time of significant change in England Cromwell grew up in a happy close knit family before heading to Europe for dramatic adventures Returning a decade later he emerged with the skills of a lawyer and merchant with the European language skills and connections to match Marriage children friends family and manor homes all furnished Cromwell s life a man happy and settled in London But more beckoned for the Italian Englishman when a special friendship with Cardinal Thomas Wolsey grew along with the attention of the king This book delves into the life beyond the historic role in Reformation England a life marked by tragic personal loss by friendships that endured through changes in allegiance and even religion and of aspirations for his son Gregory Far from the seemingly dour black clad serious man Cromwell lavished those around him with gifts parties extravagant games entertainments animals and outfits But the glamour and beauty of Cromwell s life would come to a sudden end leaving a trail of devastated men and women and an extraordinary manor home Austin Friars scattered to the wind Using a wide variety of primary material this exciting biography weaves a new narrative on the indefatigable Thomas Cromwell illustrating him more vividly than we ve known him before A Note Upon Dryden's Heroic Stanzas on the Death of Cromwell ...  Readers LOVE Thomas Cromwell Very well written and engaging I found it hard to put it down Great book and one I will read again This is one of the most fascinating biographies I've read There have been many biographies of Cromwell but Tracy Borman's book must rank among the very best Known widely as Henry VIII's right hand man Cromwell has captured imaginations throughout the centuries but who was he really In this major new biography leading historian Tracy Borman examines the life loves and legacy of the man who changed the shape of England forever Born a lowly tavern keeper's son Cromwell rose swiftly through the ranks to become Henry VIII's right hand man and one of the most powerful figures in Tudor history The architect of England's break with the Roman Catholic Church and the dissolution of the monasteries he oversaw seismic changes in England's history Influential in securing Henry's controversial divorce from Catherine of Aragon many believe he was also the ruthless force behind Anne Boleyn's downfall and subsequent execution Although for years he has been reviled as a Machiavellian schemer who stopped at nothing in his quest for power Thomas Cromwell was also a loving husband father and guardian a witty and generous host and a loyal and devoted servant With fresh research and new insights into Cromwell's family life his household and his close relationships Tracy Borman tells the true story of Henry VIII's most faithful servant Critical acclaim for Thomas Cromwell Dr Tracy Borman has crafted an exceptional and compelling biography about one of the Tudor age's most complex and controversial figures With expert insights based on a wealth of research and riveting detail she has brought Thomas Cromwell to life as never before Alison Weir This deeply researched and grippingly written biography brings Cromwell to life and exposes the Henrician court in all its brutal glittering splendour Kate Williams Independent Tracy Borman tells us succinctly in 400 pages what we need to know about the man who rose to be the king's highest adviser a very good book The Times Tracy Borman's study makes clear his achievements both admirable and despicable Borman has read an impressively wide range of modern historical literature on Cromwell Guardian Borman's is a highly readable account and will add to the debate surrounding this ultimately elusive character Financial Times Elegant her prose as ever glides beautifully along Sunday Times An engaging biography Evening Standard
