Cross In The New Testament:

The Cross in the New Testament Leon Morris, 2006-11-01 From time to time in the study of theology it becomes necessary to evaluate what Scripture has to say on certain crucial doctrines of the faith Leon Morris one of this generation's most respected evangelical scholars here offers a survey of the vast subject of atonement as it is presented in the New Testament THE CROSS IN THE NEW TESTAMENT explores in turn Matthew and Mark the Lukan writings John the Pauline epistles Hebrews the catholic epistles and Revelation showing what each New Testament scripture contributes to our understanding of atonement While Morris emphasizes the need to appreciate the many strands woven into this doctrine he criticizes the views of modern scholars that do not square with the biblical teaching At the heart of the doctrine of atonement is the idea of substitution Morris believes and his thorough examination and defense of substitutionary atonement make this volume a theological apologetic of great significance Trusted as an exhaustive and reliable work of scholarship for over forty years The Cross in the New Testament remains an invaluable text for serious students of the Bible *The Cradle, the Cross, and the Crown* Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God's word of truth 2 Tim 2:15 It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life-long resource for students of Scripture The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says Michael J Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers' understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer www.themysteryofthecross.com **Moral Vision of the New Testament** Richard Hays, 2004-10-27 Richard Hays explores the ethical values and dynamics with which Jesus himself lived to show how the New Testament provides challenging moral guidance on some of the most important contemporary ethical issues **The Significance of the Cross** George Herbert

Morrison,1924 The Cruciality of the Cross P. T. Forsyth,1997-01-08 It is sometimes said that the great question of the hour for the Church's belief is Christological it is the question of Christ's person That is true But it is the question of the cross all the same p16 Written over seventy years ago P T Forsyth's Cruciality of the Cross continues to provide an excellent and vital foundation for an understanding of the Christian doctrine of the atonement *The Death of Christ* John Knox,2020-05-29 At the very center of the Christian faith stands the Cross In order to believe in life as we want to live it we may deny or forget or ignore the fact that the Cross happened Or we may acknowledge it but be so overwhelmed by its cruelty that we deny that life has meaning Or we may accept both the Cross and life thereby recognizing a higher and deeper dimension in human life than law can define or reason grasp This third alternative is the theme of this study of the central event of the Cross the death of Christ Dr Knox begins with a consideration of the Crucifixion in its historical setting Then in Part II he considers its significance to Jesus himself and in Part III he explores its significance to the Church Examining the two New Testament views of the Atonement victory and sacrifice Dr Knox concludes that although they are logically contradictory both are actually necessary We must regard these interpretations he says as the work of the One who moved through the ancient event to bring the Church itself into being The final chapter is a powerful application of this view of the Cross to our lives today All those who seek to find the meaning of life in terms of the Christian faith will find this discussion of the Cross both intellectually stimulating and spiritually satisfying *The Message of the Cross* Dr. Jaerock Lee,2013-05-31 There was a providence of God to let us understand relativity through the tree of the knowledge of good and evil and become His true and spiritual children who can feel His heart This must have book provides clear answers to questions often asked by Christians who are curious about things not directly addressed in the Bible What was God the Creator like before the beginning of time Why did God create man and let him live on this earth Why did God place the tree of the knowledge of good and evil in the Garden of Eden Why did God send His one and only Son as an atoning sacrifice Why did God plan the providence of salvation through the rugged wooden cross These questions and more are resolved by Dr Jaerock Lee The book consists of spirit filled messages of hope and salvation for all who have questions about what God wants from the faithful As preached by Dr Lee the knowledge provided in *The Message of the Cross* will enlighten you on the deep wide and great love God has for His creation The Cross and Christian Ministry D. A. Carson,2004-02-01 In this exposition of 1 Corinthians D A Carson presents a comprehensive view of what the death of Christ means in preaching and ministering to God's people He explains the key biblical principles for dynamic cross centered ministry and how to put the cross at the center of Christian life *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe's popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe's trustworthy insights on the entire

Scott,2002-05 [Why the Cross?](#) Donald Senior,2014-11-18 The meaning of Jesus s execution on a Roman cross is one of the most divisive issues in contemporary theological discourse because issues related to the goodness of God and the place of suffering in the Christian life are at stake Although it is important to locate that discussion in the context of the range of New Testament perspectives on the soteriological significance of the cross it is also important that we recover the meaning of the cross as a metaphor for discipleship In the end the event of Jesus s death cannot be understood apart from the character of his life This book will contribute to New Testament studies but also serve related discussions in theology and Christian formation Reframing New Testament Theology is a series that fulfills the need for brief substantive yet highly accessible introductions to central questions and themes raised by study of the New Testament A significant defining question will serve as the point of departure and will frame the discussion Students will be drawn into an active theological engagement with the New Testament and related materials by the subsequent analysis

Signs of the Cross: the Search for the Historical Jesus Andrew Gabriel Roth,2001-06-05 SEE BELOW FOR AN IMPORTANT UPDATE While the dawn of the new millennium has brought an unprecedented interest to the field of New Testament studies and the search for the historical Jesus a critical piece in early Christian development has been noticeably absent Tertullus laid charges against Paul in the following address to the governor Your Excellencywe have found him to be a troublemakera ringleader of the sect known as the Nazarenes Paul said I admit that I follow the Way which they call a sect I worship the God of our ancestors and I firmly believe the Jewish law and everything written in the books of prophecy I have hope in God just as these men do that he will raise both the righteous and the ungodly Acts 24 2 5 11 15 NLT Put simply the world has so embraced the story of how the apostle Paul took a small Jewish apocalyptic sect and transformed it into a global Gentile movement that it has forgotten the very first followers of Jesus otherwise known as Nazarenes What were they like and how did their beliefs differ from the Roman based model that sprang up later Even from the Catholic fathers we are given some tantalizing clues But these sectariansdid not call themselves Christians but Nazarenes however they are simply complete Jews They use not only the New Testament but the Old Testament as well as the Jews doThey have no different ideas but confess everything exactly as the Law proclaims it and in the Jewish fashion except for their belief in the Messiah if you please For they acknowledge both the resurrection of the dead and the divine creation of all things and declare that God is one and that His Son is Yshua the Messiah They are trained to a nicety in Hebrew For among them the entire Law Prophets and theWritingsare read in Hebrew as they surely are by the Jews They are different from the Jews and different from Christians only in the following They disagree with the Jews for they have come to faith in Messiah but since they are

still fettered with the Law, circumcision and the Sabbath and the rest, they are not in accord with Christians. They have the Good News according to Matthew in its entirety in Hebrew. For it is clear they still preserve this in the Hebrew alphabet as it was originally written. Epiphanius Panarion 29, fourth century. Are these Nazarenes actually the unknown continuation of the Apostle Paul's ministry? What about the Jerusalem Church mentioned so frequently by Paul and headed up by Peter and James the Just? Why is it only now that we can tell the story of Christendom's most influential group throughout its first fifty years and above all, what happened to them? Furthermore, even a casual glance at any New Testament will show the Gospel of Matthew given the honor of being the first book in the collection. Such an arrangement directly derived from ancient belief of what was written when is currently ignored because modern scholarship accords this honor to Mark. Similarly, while the scholarly world has all but forgotten the Nazarenes, they have proclaimed almost universally that the New Testament was originally written in Greek despite strong early testimony and clear textual evidence to the contrary. However, since the fourth century, the Nazarenes at some time seem to have vanished off the face of the earth. As a result, their existence has now been rendered into little more than a footnote in history and their connection to the original Christian movement and their Semitic scriptures have been believed to be lost forever. That is, until now. Now, for the first time, a modern Nazarene breaks his silence and details the results of more than four years of research in his provocative new book, *Signs of the Cross*. As a work destined to turn upside down the current Greek compositional model of the New Testament, *Signs of the Cross* breaks new ground. *The Catholic Comparative New Testament* (Oxford University Press, 2005) features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume. This edition includes both word-for-word translations of the scripture as well as thought-for-thought translations. Readers can compare verses at a glance with facing page translations, four translations per page in a clear, easy-to-read typeface. The CCNT features four word-for-word translations: Douay Rheims, Revised Standard Version Catholic Bible, New Revised Standard Version Catholic Bible, and the New American Bible. These translations follow as closely as possible the New Testament's original wording, making them perfect for close readings of the text. The Jerusalem Bible, the Good News Bible, the New Jerusalem Bible, and the Christian Community Bible represent the thought-for-thought school of Bible translation. These translations emphasize the intended meaning of the original vocabulary, adapting it to English syntax and grammar, making it easier to understand for the lay reader. The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations. Beautifully printed on the highest quality material, the CCNT is an excellent study guide for the value. [The Beauty of the Cross](#) (St Mark's Harrogate, 2019-06-25) The cross of Jesus is the centre of life. This book examines the cross through different lenses: the Old Testament, the Passion Narratives, the words of Jesus from the Cross, the diamond of the cross in the New Testament, a cross-shaped life, and finally, the cross in Revelation. *What Happened on the Cross* (Nick Peros, 2020-08-07) What Happened on the Cross offers a new and biblical

understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him **The Cross** John Stott,2011-10-17 John Stott presents Bible studies based on his book The Cross of Christ on the meaning and purpose of the cross in our lives These thirteen session LifeGuide Bible Study provide the ever increasing understanding of the cross needed by every believer **An American Commentary on the New Testament** Alvah Hovey,1881 Light and Truth; Or Bible Thoughts and Themes.
