Cross And The Pear Tree A Sephardi Journey:

The Cross and the Pear Tree Victor Perera, 1996-01-01 Tracing the dramatic lives through 500 years of the old and distinguished Sephardic Jewish family from whom he is descended Victor Perera brilliantly re creates the history not only of his own people but of an entire culture The story he tells begins in Spain in the fifteenth century when the Sephardim are offered a choice of conversion exile or death It is the story of a richly flourishing tradition intellectual religious worldly and spiritual interrupted by massively cruel events a story of persecution escape and renewal carrying us from the Iberian Peninsula across Europe to the Holy Land and Central America And the Pere i ras whose lives we enter are both fascinating in themselves and emblematic of the Sephardic diaspora created by the Inquisition and the Expulsion some of them under threat of torture and execution capitulating to the Cross or becoming Marranos crypto Jews who practiced their ancestral religion in secret others remaining loyal to the pear tree that became their symbol and crest Among the Marranos Ana Pereira a merchant s daughter a Sephardic convert in Portugal who at age fifteen was sentenced to wear penitential raiment and undergo spiritual penances in prison where under torture she incriminated fifteen of her close relations Among the reclaimed the fabulously wealthy magnate and author Abraham Israel Pereira who participated in the excommunication of philosopher Baruch Spinoza and the beautiful Maria Nunes who was abducted to Shakespeare s England and rejected the marriage proposal of a duke and Queen Elizabeth s entreaties on his behalf marrying instead a cousin in Amsterdam s first Jewish wedding In nineteenth century France we follow the meteoric rise of the brothers Emile and Isaac Pereire who founded the French railroads and the Credit Mobilier banking system Over the centuries the stories of Pereras in all walks of life among them rabbis and Kabbalistic scholars in the Holy Land unfold [The Cambridge Companion to Jewish American Literature](#) Hana Wirth-Nesher, Michael P. Kramer, 2003-06-12 For more than two hundred years Jews have played important roles in the development of American literature The Cambridge Companion to Jewish American Literature addresses a wide array of themes and approaches to the distinct yet multifaceted body of Jewish American literature Essays examine writing from the 1700s to major contemporary writers such as Saul Bellow and Philip Roth Topics covered include literary history immigration and acculturation Yiddish and Hebrew literature popular culture women writers literary theory and poetics multilingualism the Holocaust and contemporary fiction This collection of specially commissioned essays by leading figures discusses Jewish American literature in relation to ethnicity religion politics race gender ideology history and ethics and places it in the contexts of both Jewish and American writing With its chronology and guides to further reading this volume will prove valuable to scholars and students alike **The Schocken Book of Modern Sephardic Literature** Ilan Stavans, 2010-02-10 The expulsion of the Jews from Spain in 1492 gave rise to a series of rich diverse diasporas that were interconnected through a common vision and joie de vivre The exodus took these Sephardim to other European countries to North Africa Asia Minor and South America and eventually to the American colonies In each community new literary and

artistic forms grew out of the melding of their Judeo Spanish legacy with the cultures of their host countries and that process has continued to the present day This multilingual tradition brought with it both opportunities and challenges that will resonate within any contemporary culture the status of minorities within the larger society the tension between a civil democratic tradition and the anti-Semitism ready to undermine it and the opposing forces of religion and secularism Ilan Stavans has been described by The Washington Post as Latin America's liveliest and boldest critic and most innovative cultural enthusiast And the Forward calls him a maverick intellectual whose canonical work has already produced a whole array of marvels that are redefining Jewishness This new anthology contains fiction memoirs essays and poetry from twenty-eight writers who span more than 150 years Included are Emma Lazarus's legendary poem The New Colossus inscribed on the pedestal of the Statue of Liberty the hypnotizing prose of Greece-born Switzerland-based Albert Cohen Nobel Prize winner Elias Canetti's ruminations on Europe before World War II Albert Memmi's identity quest as an Arab Jew in France Primo Levi's testimony on the Holocaust and A.B. Yehoshua's epic stories set in Israel today When read together these explorations offer an astonishingly incisive collective portrait of the other Jews Sephardim who long for la España perdida their lost ancestral home even as they create a vibrant multifaceted literary tradition in exile
