## **Cross Cultural Performances Differences In Womens Re Visions Of Shakespeare:**

*Cross-cultural Performances* Marianne Novy, 1993      Edinburgh Companion to Shakespeare and the Arts Mark Thornton Burnett, 2011-10-12 This authoritative and innovative volume explores the place of Shakespeare in relation to a wide range of artistic practices and activities past and present      Shakespeare and Appropriation Christy Desmet, Robert Sawyer, 1999 The vitality of our culture is still often measured by the status Shakespeare has within it Contemporary readers and writers continue to exploit Shakespeare's cultural afterlife in a vivid and creative way This fascinating collection of original essays shows how writers' efforts to imitate, contradict, compete with and reproduce Shakespeare keep him in the cultural conversation The essays analyze the methods and motives of Shakespearean appropriation, investigate theoretically the return of the repressed author in discussions of Shakespeare's cultural function, put into dialogue theoretical and literary responses to Shakespeare's cultural authority, analyze works ranging from nineteenth century to the present and genres ranging from poetry and the novel to Disney movies      Shakespeare Studies J. Leeds Barroll, 1995 Shakespeare Studies is an international volume published every year in hardcover containing more than three hundred pages of essays and studies by critics from both hemispheres      **Feminist Theatrical Revisions of Classic Works** Sharon Friedman, 2014-01-10 Re-visioning the classics often in a subversive mode has evolved into its own theatrical genre in recent years and many of these productions have been informed by feminist theory and practice This book examines recent adaptations of classic texts produced since 1980 influenced by a range of feminisms and illustrates the significance of historical moment, cultural ideology, dramaturgical practice and theatrical venue for shaping an adaptation Essays are arranged according to the period and genre of the source text: re-visioned classical theater and myth e.g. Antigone, Metamorphoses, Shakespeare and seventeenth century theater e.g. King Lear, The Rover; nineteenth and twentieth century narratives and reflections e.g. The Scarlet Letter, Jane Eyre, A Room of One's Own and modern drama e.g. A Doll House, A Streetcar Named Desire      *Adapting King Lear for the Stage* Lynne Bradley, 2016-03-16 Questioning whether the impulse to adapt Shakespeare has changed over time Lynne Bradley argues for restoring a sense of historicity to the study of adaptation Bradley compares Nahum Tate's History of King Lear 1681 adaptations by David Garrick in the mid eighteenth century and nineteenth century Shakespeare burlesques to twentieth century theatrical rewritings of King Lear and suggests latter day adaptations should be viewed as a unique genre that allows playwrights to express modern subject positions with regard to their literary heritage while also participating in broader debates about art and society In identifying and relocating different adaptive gestures within this historical framework Bradley explores the link between the critical and the creative in the history of Shakespearean adaptation Focusing on works such as Gordon Bottomley's King Lear's Wife 1913, Edward Bond's Lear 1971, Howard Barker's Seven Lears 1989 and the Women's Theatre Group's Lear's Daughters 1987 Bradley theorizes that modern rewritings of Shakespeare constitute a new type of textual interaction based on a simultaneous double gesture of collaboration and

rejection She suggests that this new interaction provides constituent groups such as the feminist collective who wrote *Lear's Daughters* a strategy to acknowledge their debt to Shakespeare while writing against the traditional and negative representations of femininity they see reflected in his plays **Shakespeare and Minorities** Parvin Kujoory, 2001 In a bibliography of criticism rather than Shakespeare texts or thoughts Kujoory offers an indicative rather than exhaustive annotated list of over 900 items that she has relied on or selected as most germane for the various interpretations or critical reception of Shakespeare plays with regard to women blacks Jews homosexuals slaves and others The annotations are primarily descriptive but some include short excerpts Annotation copyrighted by Book News Inc Portland OR **TDR.** ,1996

*Women Reading Shakespeare, 1660-1900* Ann Thompson, Sasha Roberts, 1997 This fascinating anthology draws upon extensive new research to collect for the first time in one volume the Shakespeare criticism of some 50 British and American women writing before 1900 **New Books on Women and Feminism** ,1994 Contemporary Authors New Revision Series Scot Peacock, 2001-09 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details
