Lutzer, 2013-02-01 Islam is on the rise all over the West, including America. In this compelling new book, bestselling author Erwin Lutzer urges Christians to see this as both an opportunity to share the gospel and a reason for concern. We have now reached a tipping point; the spread of Islam is rapidly altering the way we live. These changes are cause for alarm for they endanger our freedoms of speech and religion. At the same time, this opens an incredible door of ministry for Christians for Muslims normally do not have access to the gospel in their own lands. In *The Cross in the Shadow of the Crescent*, readers will discover helpful answers to these questions and more: How does Islam's growing influence affect me personally? In what ways are our freedoms of speech and religion in danger? How can I extend Christ's love to Muslims around me? A sensitive, responsible, and highly informative must read. The Crescent Versus the Cross Khalîl Khâlid, 2022-10-27 *Under Crescent and Cross* Mark R. Cohen, 2021-04-13 Did Muslims and Jews in the Middle Ages cohabit in a peaceful interfaith utopia? Or were Jews under Muslim rule persecuted much as they were in Christian lands? Rejecting both polemically charged ideas as myths, Mark Cohen offers a systematic comparison of Jewish life in medieval Islam and Christendom and the first in-depth explanation of why medieval Islamic Jewish relations, though not utopic, were less confrontational and violent than those between Christians and Jews in the West. *Under Crescent and Cross* has been translated into Turkish, Hebrew, German, Arabic, French, and Spanish, and its historic message continues to be relevant across continents and time. This updated edition, which contains an important new introduction and afterword by the author, serves as a great companion to the original.
