**White Dwarfs** W.J. Luyten, 2012-12-06 When the Executive Committee of the International Astronomical Union asked me in 1968 to organize a Symposium on White Dwarfs it became evident that members of at least four Commissions of the IAU should participate and that the most opportune place and time to hold such a Symposium would be somewhere in the British Isles and just preceding the Fourteenth General Assembly at Brighton in August 1970 After a preliminary correspondence with Dr D W N Stibbs it was decided to accept his invitation to hold the Symposium at St Andrews University Scotland while the dates 11-13 August 1970 were selected I am sure I speak for all the participants of the Symposium when I express our deep gratitude to Dr Stibbs for the admirable way in which he planned and organized this meeting down to the smallest details the success of the conference is due in no small measure to his continuous and painstaking efforts An organizing committee was formed consisting of O J Eggen Photometry J L Greenstein Spectroscopy A G Masevitch Stellar Interiors V Weidemann Stellar Atmospheres D W N Stibbs local chairman with myself Proper Motions and Parallaxes as overall chairman
