## **Did Jesus Rise From The Dead:**

*Did Jesus Rise From the Dead?* Gary R. Habermas, Antony Flew, Terry L. Miethe, 2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14 17 And if Christ has not been raised our preaching is useless and so is your faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ Did Jesus Really Rise from the Dead? Carl Olson, 2016-07-23 Major feature films such *The Passion of the Christ* and *Risen* and books such as Bill O Reilly s *Killing Jesus* raise many questions about one of the greatest controversies in history what really happened to the crucified body of Jesus of Nazareth Using a popular question and answer format this book examines the historical evidence concerning the fate of Jesus Did Jesus really die on the cross If so what became of his body Was it stolen Misplaced Is the resurrection a cleverly devised plot to found a new religion Did the disciples of Jesus hallucinate Is the Resurrection of Jesus a myth developed decades later after the original disciples experience of Jesus was distorted by a subsequent generation Or did Jesus rise from the dead as he promised and as his disciples came to believe and sacrifice their lives to proclaim Carl Olson carefully weighs the evidence with in depth analysis Whether you are a believer a skeptic or something in between be prepared to have your thinking challenged by this provocative and insightful book Did Jesus Rise From the Dead William Lane Craig, 2014-06-01 Seems reasonable perhaps Jesus was comatose Or perhaps his body was stolen Or maybe the women arrived at the wrong tomb they were grieving after all it would have been an honest mistake There are any number of explanations Dr William Lane Craig uses well documented historical facts to explore the evidence that surrounds the days following Jesus crucifixion Without assuming the Bible says so *Did Jesus Rise from the Dead* presents positive religious cultural and historical evidence for the reality of the resurrection while breaking down the six most common hypotheses used to explain the unusual events that unfolded from the moment Christ breathed his last Thoroughly researched yet deftly digestible *Did Jesus Rise from the Dead* belongs in the library of any apologist skeptic or seeker **Did Jesus Rise from the Dead?** Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In

this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

*The Resurrection: Fact or Fiction?* Richard Bewes OBE,2012-08-10 What is the evidence for Jesus resurrection Why are the events following his death so significant even today How can we be sure of his promises about eternal life This book shows how our lives can be transformed by the events of the first Easter Day

*Did Jesus Really Rise from the Dead?* Thomas A. Miller,2013-02-28 How can a respected scientist believe in the resurrection Can I trust the Bible s account that Jesus actually rose from the dead If the resurrection really occurred of what importance is it to you and me Our ready embrace of the authority of science has left many doubting that Jesus s resurrection was a verifiable historical event Yet Thomas Miller an experienced scientist and well respected surgeon challenges the notion that modern medicine has disproved the possibility of the resurrection Through careful investigation of the evidence and evaluation of its reliability Dr Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection
