Henry Purcell's Dido and Aeneas Ellen T. Harris, 2017-11-07 In this thirtieth anniversary new edition of Henry Purcell's *Dido and Aeneas* Ellen Harris provides a detailed consideration of the many theories that have been proposed for the opera's origin and chronology a detailed reexamination of the musical sources and a comprehensive performance history **Dido and Aeneas** Henry Purcell, 1925 *Dido and Aeneas*, 1961 **Dido and Aeneas** Henry Purcell, 1953 *Dido's Tragedy* Richard Gaskin, 2025-11-26 *Dido's Tragedy* is a literary commentary highly original in both form and content on the Latin text of Virgil's *Aeneid* Book 4 which concerns the love affair between Dido and Aeneas and its tragic denouement A substantial introduction discusses the book's historical and literary context and provides a detailed analysis of its connections with the genre of tragedy the role of the supernatural the characterization of Dido and Aeneas and the nature and development of their relationship For the commentary the Latin text is divided into manageable excerpts each being accompanied by a translation and a bespoke literary essay there is also an extensive bibliography The literary essays examine points of interest in each excerpt and relate these to the themes highlighted in the introduction frequent reference is made to other classical works to relevant texts in the European literary tradition to other Virgilian commentaries from Servius onwards and to recent secondary literature on Dido Virgil and tragedy Readers are provided with plenty of signposts to help them investigate questions that interest them The text of *Aeneid* 4 contains some notorious interpretative cruxes the commentary discusses these problematic passages in detail fitting them into an overall interpretation of the book and of the *Aeneid* as a whole

Dido and Aeneas Nahum Tate, 2025-01-19 Purcell's *Dido and Aeneas* tells the tragic love story of Dido Queen of Carthage and Aeneas a Trojan prince Aeneas shipwrecked in Carthage falls in love with Dido and they express mutual devotion However a sorceress and her witches plotting Carthage's downfall deceive Aeneas with a fake message from the gods commanding him to leave and fulfill his destiny to found Rome Aeneas reluctantly obeys abandoning Dido Heartbroken she sings the poignant aria *When I Am Laid in Earth* before succumbing to despair and death The opera explores themes of love betrayal and destiny within a compact emotionally powerful framework **Metamorphoses of Helen** Mihoko Suzuki, 1989 Mihoko Suzuki sheds light on a literary tradition that seemingly holds Helen of Troy and her descendants responsible for causing epic conflicts while it appropriates the woman's perspective as a source of insight and poetic power A superb study of *Why Vergil?* Stephanie Quinn, 2000 An anthology of 43 classic essays and poems on the Roman poet Quinn's position is that his work continues to be compelling and flexible enough to support a wide range of interpretations and perspectives In addition to a bibliography she provides a lengthy introduction and conclusion that tackle the question of the book's title *Why Vergil?* Further she juxtaposes the first few lines of the *Aeneid* in its original Latin with five translations and includes a synopsis of it and a list of dates for quick reference She has not indexed the volume *The Plays* Christopher Marlowe, 2000 The plays collected in this text provide the reader with a clear picture of Marlowe as a radical theatrical poet

of great linguistic and dramatic daring whose characters constantly strive to break out of the social religious and rhetorical binds within which they are confined
