Die Hard: Year One, Vol 1 Howard Chaykin, 2010-04-13 Every great action hero got their start somewhere and with DIE HARD YEAR ONE fans get the chance to see John McClane's first year on the force as a rookie cop in New York City. America's greatest action hero translated into the sequential art form for the first time. Every great action hero got started somewhere. Batman Began. Bond had his Casino Royale. And for John McClane more than a decade before the first DIE HARD movie he's just another rookie cop, an East Coast guy working on earning his badge in New York City during 1976's Bicentennial celebration. Too bad for John McClane nothing's ever that easy. Join legendary industry creator Howard Chaykin on a thrill ride that's rung up over 1 billion in box office worldwide and become the gold standard for classic action. Yippee Ki Yay.

Bruce Willis Sean O'Connell, 2024-06-11 Celebrate the legacy of Bruce Willis's career in a book the Los Angeles Times calls a thoughtful guide. On a nondescript Wednesday morning in the waning days of March 2023 one of the biggest movie stars on the planet called it quits. No press conference had been organized, the Hollywood trades received no advance notice, and there was a conspicuous lack of the fanfare that usually accompanies such bombshell announcements. Instead, the news that Bruce Willis was retiring from acting came in a simple statement on his ex-wife Demi Moore's Instagram page, along with the tragic news that Willis was suffering from aphasia, a cognitive disorder that subsequently worsened to become frontotemporal dementia. It was a sad conclusion to the storied career of a man who had at one point been the highest paid actor in Hollywood. That career is the subject of Sean O'Connell's definitive survey of Bruce Willis, the actor, the cultural icon, and the man. Here O'Connell compiles exclusive original interviews with directors who have worked with Willis as well as film critics and journalists who have analyzed his career into a celebratory compendium. It also features the author's analysis of Willis's films, his career arc, and the industry that made him a star. And it includes capsule reviews of every Bruce Willis film, making this a complete handbook to a true American original.

Die Hard: Year One Vol. 2 Howard Chaykin, 2011-05-03 Every great action hero got their start somewhere and with DIE HARD YEAR ONE fans get the chance to see John McClane's first year on the force as a rookie cop in New York City. The second volume that reveals the beginnings of America's greatest action hero. Every great action hero got started somewhere. Batman Began. Bond had his Casino Royale. And for John McClane more than a decade before the first DIE HARD movie he's just another rookie cop, an East Coast guy working on earning his badge in New York City. After thwarting the terrorist attacks planned for the 1976's Bicentennial celebration, McClane has to stop a bank robbery during the famous 1977 city-wide black out. Join legendary industry creator Howard Chaykin on a thrill ride that's rung up over 1 billion in box office worldwide and become the gold standard for classic action. Yippee Ki Yay.
