#### **Die Quints:**

The Journal of English and Germanic Philology, 1916 The Cambridge Companion to Vaughan Williams Alain Frogley, Aidan J. Thomson, 2013-11-14 A comprehensive reassessment of this towering figure of twentieth century music examining works cultural context and reception in Britain and beyond Representations of Flight and Expulsion in East German Prose Works William John Niven, 2014 Explodes the conventional wisdom that there was a taboo on the topic of flight and expulsion in East Germany It is by now almost a clich that the flight and expulsion of Germans from east central Europe at the end of the Second World War was a taboo topic in the German Democratic Republic According to this claim the Socialist Unity Party SED suppressed reference to flight and expulsion so as not to upset its socialist neighbors This book shows that such a view does not hold up to serious scrutiny While the topic may not have been addressed in the realm ofpolitics or official commemoration it was picked up again and again in literature particularly fiction Representations of flight and expulsion were by no means restricted as some have asserted to Christa Wolf s novel Kindheitsmuster Niven s study documents around one hundred novels and short stories published in the GDR that address flight or expulsion He argues that in the 1950s and early 1960s GDR fiction included many refugee figures Thepredominant emphasis was on their integration under socialism rather than their experience of flight and loss of home nevertheless flight and to a lesser degree expulsion were depicted as was their impact on individuals They continued to be portrayed in the late GDR and in post unification east Germany Flight and expulsion were subject to a developing literary discourse in the GDR a discourse that this book explores Bill Niven is Professor in Contemporary German History at Nottingham Trent University Who's Who in Contemporary Women's Writing Jane Eldridge Miller, 2019-07-23 Unique in its breadth of coverage Who s Who in Contemporary Women's Writing is a comprehensive authoritative and enjoyable guide to women's fiction prose poetry and drama from around the world in the second half of the twentieth century Over the course of 1000 entries by over 150 international contributors a picture emerges of the incredible range of women s writing in our time from Toni Morrison to Fleur Adcock all are here This book includes the established and well loved but also opens up new worlds of modern literature which may be unfamiliar but are never less than fascinating Monatsschrift Für Das Deutsche Geistesleben .1929 **Vaughan Williams** Eric Saylor, 2022 In this volume author Eric Saylor revisits the life and work of famed British musician Ralph Vaughan Williams with particular attention to the relationship between his work and his life Front in European Memory Xosé M. Núñez Seixas, 2025-09-18 This is the first comprehensive study to examine the place of the Eastern Front or Soviet German War in European memory from a truly comparative perspective across Europe it encompasses the Soviet and post Soviet space Germany both GDR and FRG and the Berlin Republic after 1990 Western Europe and Finland Covering the whole post war period to the present with a particular emphasis on recent events this book offers a cultural perspective on the different ways in which the politics of memory dictated by states interact with and are

sometimes counteracted by grass roots memory initiatives The Eastern Front in European Memory focuses on a diversity of sources and agents of memory from monuments and public ceremonies to literary narratives films and other aspects of popular culture that contribute to shaping the historical culture of the societies concerned Catalogue of Foreign Literature San Francisco Public Library, 1898 Bd.
