Die Sammlung Adolf Von Sturler In Memoriam Eduard Huttinger 1926 1998

Krisztina Ilko

Die Sammlung Adolf Von Stürler In Memoriam Eduard Hüttinger 1926 1998:

The Mosaics of the Baptistry of Florence Miklós Boskovits, 2007 *The Sons of St Augustine* Krisztina Ilko, 2025-12-11 The Order of the Hermits of St Augustine has long been sidelined as a pale imitator of the Franciscans This book provides a fundamental cross disciplinary re evaluation of the lives ideas and impact of the Augustinian friars By challenging the scholarly focus on the urban sphere in communal Italy it explores the rapid emergence of Augustinian convents as lively religious and artistic centres on the margins of cities and in the Italian countryside Moreover it demonstrates for the first time the existence of common intellectual themes which linked together dispersed Augustinian communities Fired by contemporary debates about the antiquity of the Order the Augustinian friars forged a fictive past in which they linked their origins to St Augustine and late antique hermits The book argues that saints objects and the natural environment all played a vital part in brokering the Augustinian ethos This is underpinned by tracing the things the Hermits commissioned inherited and accumulated to become the heirs of St Augustine Their forged antiquity was promoted not only through human agencies such as the creation of eremitical saints cults but also through the strategic use of the liminal position of their convents reinventing the Augustinian hermitages as places of power on the margins of the human sphere and the untamed natural environment At stake here is the extent of religious patronage in the rural landscape and the re evaluation of the long standing tension between city and countryside in the medieval imaginary Ultimately this book not only challenges the prevailing understanding of the mendicant movement as a quintessentially urban phenomenon but also sheds new light on broader processes of medieval societies in forging narratives of power prestige and antiquity through materiality and the natural environment **Die Sammlung Adolf von Stürler** Marc Fehlmann, Gaudenz Freuler, Kunstmuseum Bern, 2001 **A Critical and Historical Corpus of Florentine Painting** Richard Offner, 2011 Bibliographie Der Berner Geschichte , 2002 **Das Schweizer Buch** , 2002 Bibliografia dell'arte svizzera , Bibliografia della conversazione dei beni culturali , 2002 Ingres, 1780-1867 Claire Barbillon, Philippe Durey, Uwe Fleckner, 2009 Un recueil de vingt cinq tudes consacr es au peintre et son oeuvre s appuyant sur les apports de l historiographie r cente Elles tentent de saisir la personnalit de l artiste afin d entrevoir si l instar de sa cr ation il tait hors normes et irr ductible aux sch mas traditionnels en cours au XIXe si cle **Peinture italienne, Musée du Petit Palais, Avignon** Michel Laclotte, Musée du Petit Palais (Avignon, France), 2005 Collection d oeuvres d art grecques trusques et romaines ainsi que de toiles de primitifs constitu e par le marquis Giampietro Campana di Cavelli Rome 1807 Naples 1880
