everyone likes it but no one can deny its popularity Not being on TikTok seems to be a HUGE mistake There are already 2 billion users who have downloaded TikTok and it is available in over 200 countries which means TikTok is a fertile ground for organic reach and paid advertising It s not uncommon for a TikToker to earn 4000 5000 per post Many TikTok influencers are able to make even much more For example the college student Addison Rae can make about 15 000 per sponsored post This is the platform that can help you earn six figures easier than you thought When you explore TikTok you ll find various brands advertising on it in industries like clothing eCommerce streaming beauty mobile apps and many more You can definitely use this platform to your business s advantage Most people think that they can just jump on it and easily get their piece However once they try it seems like they don t have that magic power No strategy equals a significant loss TikTok is no exception to this rule This is why it s super risky to start without a comprehensive guide to TikTok marketing Also every social media platform has its own unwritten rule You can break your business if you just ignore them So how can you succeed on TikTok exactly How can you attract millions of followers and convert those followers to dollars How can you make your content go viral and monetize from it That s why our insiders create this TikTok Marketing with TikTok SEO How To Find Your Own Profitable TikTok Niche How To Optimize Your TikTok Profile How To Use TikTok Algorithm And Metrics To Succeed On TikTok How To Use TikTok SEO To Make Your Content Go Viral And Get More Engagement And Followers How To Master Influencer Marketing How To Monetize Your TikTok Account For The Maximum Profits Best TikTok Tools To Triple Your TikTok Account How To Safely Protect Your TikTok Account much more This is Not a theoretical presentation This straight to the point book is full of updated knowledge and proven strategies aiming to help you rapidly grow your TikTok accounts build your personal brand expand your business and make fruitful marketing efforts Whether you are a future social media influencer business owner or brand manager this guide is your ticket to building real influence as well as an enjoyable profitable and deeply rewarding business Don t leave this opportunity on the table Scroll up click the Buy button now Start Making Money now Free BONUS Included As a FREE gift to all dear readers with your purchase of this book you will also receive FREE downloadable access 500 trending TikTok Hashtags to gain more likes and followers

*Influencer Marketing For Beginners* Adrian Peck, 2020-10-13 The rise of social media has created alternative methods of advertising for companies Gone are the days where companies would reach their customers through newspapers or television commercials It is now more affordable to connect with customers through online channels such as social media platforms Companies have done an impressive job following their customers and establishing their brands within the same platforms that their customers enjoy However over the years there have been questions surrounding brand trust with many consumers challenging the authenticity of the message shared by brands There has been significant research compiled regarding customer sentiments on brand communication One of the main insights found was that customers trusted messages shared by their peers over messages shared by brands The assumption is that companies have an agenda to make

profits but our peers seek to educate and empower us This key assumption is one of the driving forces which has led to the growth of influencer marketing Influencer marketing allows ordinary individuals to promote the services and products of companies to their specific target audience Companies pay to have an influencer with a large following on popular social media platforms to advertise their offerings on their behalf This business strategy has dramatically increased companies return on investment ROI and helped build brand integrity among customers This book will be a valuable resource to all those individuals who are interested in becoming social media influencers The reader will learn the ins and outs of social media marketing and some exclusive tactics and strategies on using social media platforms such as Facebook Instagram YouTube TikTok and Pinterest to develop and grow an audience Readers will also learn how to create authentic personal brands that will help attract companies provide them with a unique positioning in the market and monetize their social media accounts After reading this book readers will feel motivated to capitalize on this new movement toward influencer marketing and begin to operate their own marketing enterprises
