Solving the Affordable Housing Crisis in the Gulf Coast Region Post-Katrina United States. Congress. House. Committee on Financial Services. Subcommittee on Housing and Community Opportunity, 2007 *Getting Me Cheap* Amanda Freeman, Lisa Dodson, 2022-11-29 Two groundbreaking sociologists explore the way the American dream is built on the backs of working poor women Many Americans take comfort and convenience for granted We eat at nice restaurants order groceries online and hire nannies to care for kids *Getting Me Cheap* is a riveting portrait of the lives of the low wage workers primarily women who make this lifestyle possible Sociologists Lisa Dodson and Amanda Freeman follow women in the food health care home care and other low wage industries as they struggle to balance mothering with bad jobs and without public aid While these women tend to the needs of well off families their own children frequently step into premature adult roles providing care for siblings and aging family members Based on years of in depth field work and hundreds of eye opening interviews *Getting Me Cheap* explores how America traps millions of women and their children into lives of stunted opportunity and poverty in service of giving others of us the lives we seek Destined to rank with works like *Evicted* and *Nickle and Dimed* for its revelatory glimpse into how our society functions behind the scenes *Getting Me Cheap* also offers a way forward with both policy solutions and a keen moral vision for organizing women across class lines *Ambition Redefined* Kathryn Sollmann, 2018-10-09 This is the playbook for how to get flexibility in your career Molly Beck author *Reach Out* and founder of MessyBun.com Critical advice for women when the traditional office job doesn't fit family life Meredith Bodgas Editor in Chief *Working Mother* magazine Sollmann advocates that we lean in to what she aptly labels one's own personal measure of success rather than a monolithic vision of the ideal career Whitney Johnson critically acclaimed author *Build an A Team* and *Disrupt Yourself* Thinkers50 Management Thinkers *Ambition Redefined* is a timely alternative to current women's business books that define professional ambition and success as climbing the corporate ladder In fact this is not a path that all women want or should feel pressured to follow Sollmann's focus is on the more critical and widespread workplace issue for everyday women to always work in a way that fits their lives alongside their two major caregiving roles for children and aging parents Sollmann debunks common assumptions such as IT'S NOT WORTH IT UNLESS THE SALARY IS HIGH Women forfeit up to 4X their salaries every year out of the workforce to care for children and/or elderly parents and it does not take a six figure salary to achieve long term financial security FINDING FLEXIBLE WORK IS IMPOSSIBLE Sollmann shines a bright light on the ever widening world of flexwork where women can find many interesting and exciting ways to tuck all generations of their families into a future that is financially secure and safe The book includes realistic practical tools for preparing for and finding flexible work within a current job or a new opportunity IT WON'T HAPPEN TO ME Divorce death of a spouse or unexpected financial support for aging parents are some of the life you never knows that all women could experience Divorce death of a spouse caring for aging parents or adult children are some of the life you never

knows that all women could experience Sollmann encourages women to anticipate and buffer life surprises and she shows the profound impact of continual earning saving and investing toward a long and comfortable retirement WORK ENDS AT AGE 65 Women who leave the workforce and want to return in their forties fifties or sixties will be in good company as the ranks of older workers rise Over the next two decades adults age 50 and over will have greater rates of workforce participation into their sixth and seventh decades Eye opening and practical the book shows that when we redefine ambition we acknowledge that challenging lucrative work can be found in many flexible ways that favor personal satisfaction over public applause *Network World* ,2001-07-09 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce
