*Land Your Dream Career in College* Tori Randolph Terhune, Betsy Hays, 2025-07-10 After more

than a decade of helping thousands of college students chart a path towards successful careers. Tori Randolph Terhune and Betsy A Hays are back with a second edition of *Land Your Dream Career in College* full of updated strategies for today's future leaders. Both the college landscape and the world of work have witnessed seismic shifts in the last decade from the rapid advancement of digital technology to the global reshaping of the workplace caused by the pandemic. Now more than ever it's essential for students to consciously shape their college experience as a road to an immediate career. The second edition meets students at the early planning stages for college, assessing interests to find a dream career that's right for them, understanding the courses they need to take, the internships and opportunities they must seize, and the obstacles they'll encounter. Key to the new edition is a focus on defining your dream career using the latest tools and resources to build your portfolio of knowledge and experience and how to pivot if your dreams or realities of life change.

### **Sustaining Creative Collaboration in Student Virtual Teams in Higher Education: Resources, Norms and Protocols, and Continual Assessment and Learning**

Nemiro, Jill E., 2025-07-23. As remote and hybrid work continue to define the modern professional landscape, the ability to collaborate effectively in virtual teams has become an essential skill. The shift toward non-routine, knowledge-based work demands high levels of creativity, adaptability, and digital fluency. Higher education institutions play a pivotal role in preparing students for this new reality by offering opportunities to build and practice virtual teamwork skills. Equipping students with these competencies not only enhances their career readiness but also helps them contribute more effectively to innovative, distributed work environments. As the future of work becomes increasingly digital, fostering virtual collaboration skills is crucial for individual success and organizational sustainability. *Sustaining Creative Collaboration in Student Virtual Teams in Higher Education: Resources, Norms and Protocols, and Continual Assessment and Learning* provides an in-depth understanding of how to implement, sustain, and assess academic courses and business training experiences that can offer students and employees hands-on experiences to develop virtual teamwork skills. It seeks to nurture students' professional development by enhancing their creativity while working in virtual teams and to provide faculty with relevant knowledge, expertise, and case examples to assist them in implementing and assessing effective virtual team learning experiences in their courses. Covering topics such as virtual collaboration, team dynamics, and digital communication, this book is an excellent resource for students, educators, researchers, academicians, educational leaders, instructional designers, technology instructors, human resource managers, business leaders, and more.
