**Marketing in the Global Environment. Evaluation of Global Companies in the Chemical Industry** Matthias Hebben,2021-04-27 Master's Thesis from the year 2019 in the subject Business economics Business Management Corporate Governance grade 2.0 University of Applied Sciences Northwestern Switzerland language English abstract This Master thesis explores the phenomenon of Digital Content Marketing DCM by evaluating if content marketing and its tools have a positive impact on global companies in the chemical industry Rapid globalization and the development of new markets at an increasingly global scale have made DCM more important However global companies are facing new challenges like new

technological developments and trends and a changing consumer landscape that requires new marketing approaches. Strategies are required to overcome these challenges, adopt DCM techniques, and use current techniques to gain competitive advantages. However, there are still companies that have not included digital content in their marketing strategy. Others have difficulties making their marketing content unique and powerful. The main issue is often measuring the effectiveness of one's digital content to determine whether DCM has a positive impact.
