Crypto Millionaires Mateusz Mach, 2024-07-19 Blockchain the key to the world of cryptocurrencies a phrase that sounds like a promise of wealth But what exactly is Blockchain Unfortunately in most books articles and discussions it is either explained in a way that s hard to understand or oversimplified with unnecessary emotional baggage presented either technically or ideologically Some see Blockchain as a savior from greedy bankers while others view it as a tool for building cryptocurrencies that undermine central banks Which image is closer to reality The story of Blockchain is not just a tale of mathematical experiments It s primarily a story of the age old attempt to record human activities and the value that flows from them This time however the goal is to make it accessible to everyone on equal terms This book delves into the evolution and technical intricacies of Blockchain technology steering clear of the

common focus on mere cryptocurrency speculation It clarifies complex concepts and underscores Blockchain's capacity to revolutionize industries and empower individuals globally thereby demystifying the technology and making its profound potential accessible to everyone
