

Due to global issues concerning **COVID-19** (Coronavirus) more and more workplaces are moving towards working remotely. Switching from working in the office to being remote can be a shock to the system for both management and team members, which is why we wanted to share some quick tips to set your team up for success.

**01**

Encourage team members to work their 8 hours in one chunk, rather than a couple of hours here and there.

**02**

Ensure there's team overlap by establishing core hours that everyone works, for example 10am-3pm

**03**

Video call with cameras on where possible, this reduces the risk of isolation/loneliness

**04**

Encourage non-work related communication to maintain work relationships

**05**

Establish regular morning catch ups and afternoon sign offs to keep your team engaged

**06**

Check in that team members are set up to work from home effectively.
