Shift Change Stephen Dale,2021-10-04 Hamilton s industrial age is over In the steel capital of Canada there are no more skies lit red by foundries at sunset no more traffic jams at shift change Instead an urban renaissance is taking shape But who wins and who loses in the city s not too distant future Is it possible to lift a downtrodden post industrial city out of poverty in a way that benefits people across the social spectrum not just a wealthy elite In Shift Change author Stephen Dale sets up the Hammer as a battlefield a laboratory a chessboard As investors cash in on a real estate gold rush and the all too familiar

wheels of gentrification begin to turn there s still a rare opportunity for both old guard and newcomer Hamiltonians to come together and write a different story one in which Steeltown becomes an economically diverse and inclusive urban centre for all What plays out in these pages and at this very moment is a real time case study that will capture the attention and the imagination of anyone interested in equitable redevelopment housing activism and social justice in the North American city
