A Complete Guide for Single Moms Janis Adams, 2011 Recent statistics from the U.S. Census Bureau show there are 9.9 million single mothers in the United States. This number is up from only 3.4 million in 1970, showing that single motherhood is more common than ever. For every mother recently finding herself single or new moms learning how to raise their first child by themselves, there are countless things any mother will need to know. Single motherhood presents innumerable situations that are much harder to handle without the helping hands of a second parent nearby. But one of the best ways to prepare yourself for success as a single mother is to arm yourself with knowledge about what to expect with single parenting. *A Complete Guide for Single Moms: Everything You Need to Know About Raising Healthy, Happy Children on Your Own* is for every mother who is learning how to raise children on her own. Regardless of how you came to be a single mom, whether it was through divorce, the end of a relationship, surrogacy, adoption, unplanned pregnancy, or by the death of a spouse, this book will walk you through the information you need to know to help you and your child adjust to a new lifestyle. The book covers what to do when pregnant and single and how to rely on your family and friends for support and help. You will learn the basics of early childcare, including what a child needs in its first year from breastfeeding and nappies to clothing and travel. You will learn what to expect as your child grows, including the early years of school and the problematic teenage years. This book teaches you how to take care of yourself in addition to your children, which includes knowing how to find rest and work your way back into dating. You will learn how to prepare yourself for the

sacrifices you will be forced to make and how to handle financial matters while raising a child alone Even the difficult topics are covered such as the first times you must discuss with your child why his or her father is not present You will learn when you can fill in as a father figure when you cannot and what you can do to provide the male influence and support children need during those formative years If your child's father is involved this book will teach you how to work with him You will learn how to raise a boy as a single mother and find positive role models for your children We have conducted multiple interviews with successful single mothers as well as with experts in child care to provide a comprehensive outlook on everything you can expect as a single parent on your own from the first few weeks of stress to the later years of toilet training proper diet allergies health care and learning to talk From conception to graduation the life of a single mother is a trying challenging road to travel With this guide in hand you will have what you need to raise a healthy happy family
